Annual Report
2023

அறிவற்றங் காக்குங் கருவி செறுவார்க்கும்
உள்ளழிக்க லாகா அரண்.

குறள் – 421

விளக்கம் :

அறிவு நமக்கு அழிவு வராமல் காக்கும் ஆயுதம்,
பகைவராலும் அழிக்க முடியாத உட்கோட்டை.

Explanation :

Wisdom is a weapon to ward off destruction; it is an inner fortress which
enemies cannot destroy.

Pope Message

Pope Francis asks the faithful to pray for volunteer organizations and all those who work in them. The Holy Father encourages volunteer organizations and volunteers to continue in their labor promoting human dignity and the common good, working "not just for the people, but with the people, being close to them, and listening to their needs."

Furthermore, the Pope asks to pray that these organizations and volunteers may "find people willing to commit to the common good and ceaselessly seek out new paths of international cooperation."

The Pope also stresses the importance of collaboration and cooperation between volunteer organizations and the State, saying: "By working together they do their best and make the miracle of the multiplication of hope a reality."

In volunteering, according to Pope Francis in his May 2022 prayer intention, the Christian image of "God and man is involved: the love of God and love of neighbour" as "Jesus invites us to love our neighbour as we love ourselves."

Within these moments of crisis in our society, the Pope concluded, volunteers are essential: "The world needs volunteers."

Founder Message

Dear Friends,

DMI and MMI are Congregations of Catholic Religious Sisters and Priests known for their service to humanity in many parts of the world. Self-respect through Self sustenance, Self-sustenance through the Capacity building, Capacity building through knowledge-based technical skills, knowledge-based technical skills towards respectable employment, and respectable employment towards the realization of one's ability to market one's own ideas, skills, and products is our vision for those whom we serve.

To groom well-disciplined, humanly motivated, intellectually enlightened, technically oriented citizens with stamina built in to face the changing world and a committed and strong spiritual base is our goal. All our educational and developmental services are oriented towards this goal which is to be achieved through the collective effort of consecrated Religious, committed collaborators, dedicated staff, receptive students, and all others concerned.

We pray and hope that every person who passes through our hands is nourished and enriched in every way, not only to face the future but also to shape his or her own future and that of our country and the universe.

May God bless you!

Rev. Fr. Dr. J.E.Arulraj
Founder & Chairman
DFT Group of Insititutions

Index

About the Insititute

About the Institute

The Institution started with four branches CSE, ECE, EEE & IT in 2008 and has extended its branches MECH & MBA in 2009, Civil in 2011, ME in 2012 and AI&DS in 2022. The present statistics is 1192 students, 799 boys & 393 girls. We are successfully running Post Graduate course in M.E Computer Science and Engineering. Our Founder Chairman Rev. Fr. Dr.J.E.Arulraj founded DMI and MMI congregation in the years 1984 and 1998 with the blessings of Almighty with a goal of grooming a well-disciplined, humanly motivated, intellectually enlightened, technically oriented citizens. In the view of achieving these goals, our DFT is operating 4 Universities, 7 Engineering colleges, 2 Arts and Science colleges, 3 college of Educations, one polytechnic college and 40+ CBSC, International and Residential schools. The eco-friendly campus has separate academic and hostel buildings to enable the students to feel at home and to develop their creativity. The campus has a total of 173815.25 sq.ft as built-up area accommodating the following:

A Four-storied main college building with well-ventilated and spacious class rooms and drawing halls.

- ❖ Well-equipped laboratories.
- ❖ Hostel for boys
- ❖ Hostel for girls
- ❖ Conference halls
- ❖ Auditorium
- ❖ Meditation Room
- ❖ Photocopier, STD and Internet facilities.
- ❖ Courts and grounds for various games and sports.
- ❖ ATM
- ❖ Wi-Fi Campus

SEMINAR, WORKSHOP,INDUSTRIAL VISIT AND FACULTY DEVELOPMENT PROGRAMME

3.1 COMPUTER SCIENCE ENGINEERING

3.1.1 Java Orientation Program

The inaugural session of the program on **07-02-2023** at 10.00 am in the presence of Dr.T.Ahilan, Principal St. Joseph college of Engineering College has presided the session. Dr.M.Navaneethakrishnan, HOD Computer Science Department welcomed our Resource Person Mr.Kishore from TNS India Foundation, faculties and all the students for taking part in the Orientation program and encouraged them. The objective of this orientation program is to provide opportunity for students to enrich their knowledge in the area of Object Oriented Programming using JAVA Language. This Program will provide a vibrant opportunity for students to know about the importance of Java. Mr.Kishore was discussed about the essentials of JAVA and the resource person ensured that the students will be trained hands-on in JAVA and its applications. Most importantly he made sure that all the students will be trained efficiently and will be assisted with their placements.

3.1.2.Workshop on AR and VR Training Program

The inaugural session of the program on **21-02-2023** at 10.00 am in the presence of Dr.T.Ahilan, Principal St. Joseph college of Engineering College has presided the session. Dr.M.Navaneethakrishnan, HOD/CSE welcomed our Chief Guest Mr.Raghavendran Subramanian,Technical Consultant from Scopik Edutech Pvt Ltd., faculties and all the students for taking part in the Training program and encouraged them. The objective of this Training program is to provide opportunity for students to enrich their knowledge in the area of Augumented reality and Virtual Reality. This Program will provide a vibrant opportunity for students to know about the importance of 3D object designing and Gaming

Technology. Resource Person discussed about the essentials of Gaming Technology and also the importance of designing the object using applications and the resource person ensured that the students will be trained hands-on in AR and VR and its applications

3.1.3. Industrial Visit on Sansbound Networking Technology

A complete report on Industrial visit organized for the IInd & IIIrd year students of Computer Science and Engineering in order to get the practical Knowledge about about "Network Technology" carried out by "Sansbound Networking Technology". We organized an industrial visit on **20/02/2023**(Monday) for 3rd year and on 23/02/2023

(Thursday) for 2nd to Sansbound Network Technology locates in Chennai for the students of Compute Science and Engineering. The students divided into three groups and each group were thought about different modules, this industrial visit is very helpful in our future practical life and bring a positive change in our thinking and practical behavior regarding Education & specializing our technical skills. Got practical Knowledge about the advancement in technology.
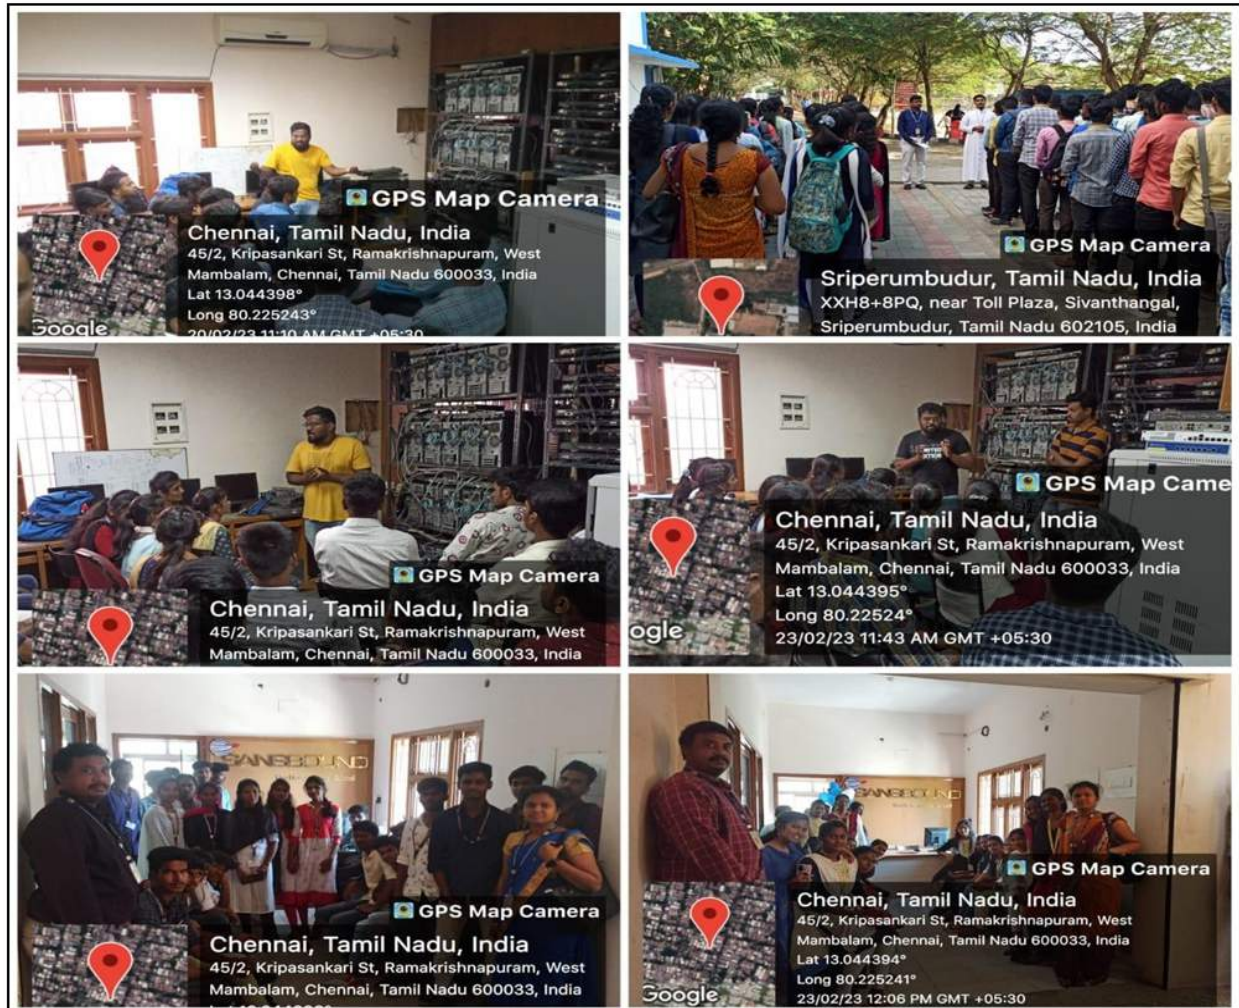

3.1.4. Industrial Visit on Retech Solution Private Limited

Industrial visit was organized for the IInd year, IIIrd year students of Computer Science and Engineering in order to get the practical knowledge about "Robotics Technology" carried out by "Retech Solution Private Limited",West Tambaram, Chennai, on **27/02/2023**(Monday) for 3rd year and 2nd to Retech Solution Private

Limited,Technology locates in Chennai for the students of Compute Science and Engineering. Retech Projects which provides service and supports for engineering students in their engineering projects and course internships. It is responsible for all the research activities carried by our all other companies. Retech Lasers is created to manufacturing machinery which use laser technology in their core.
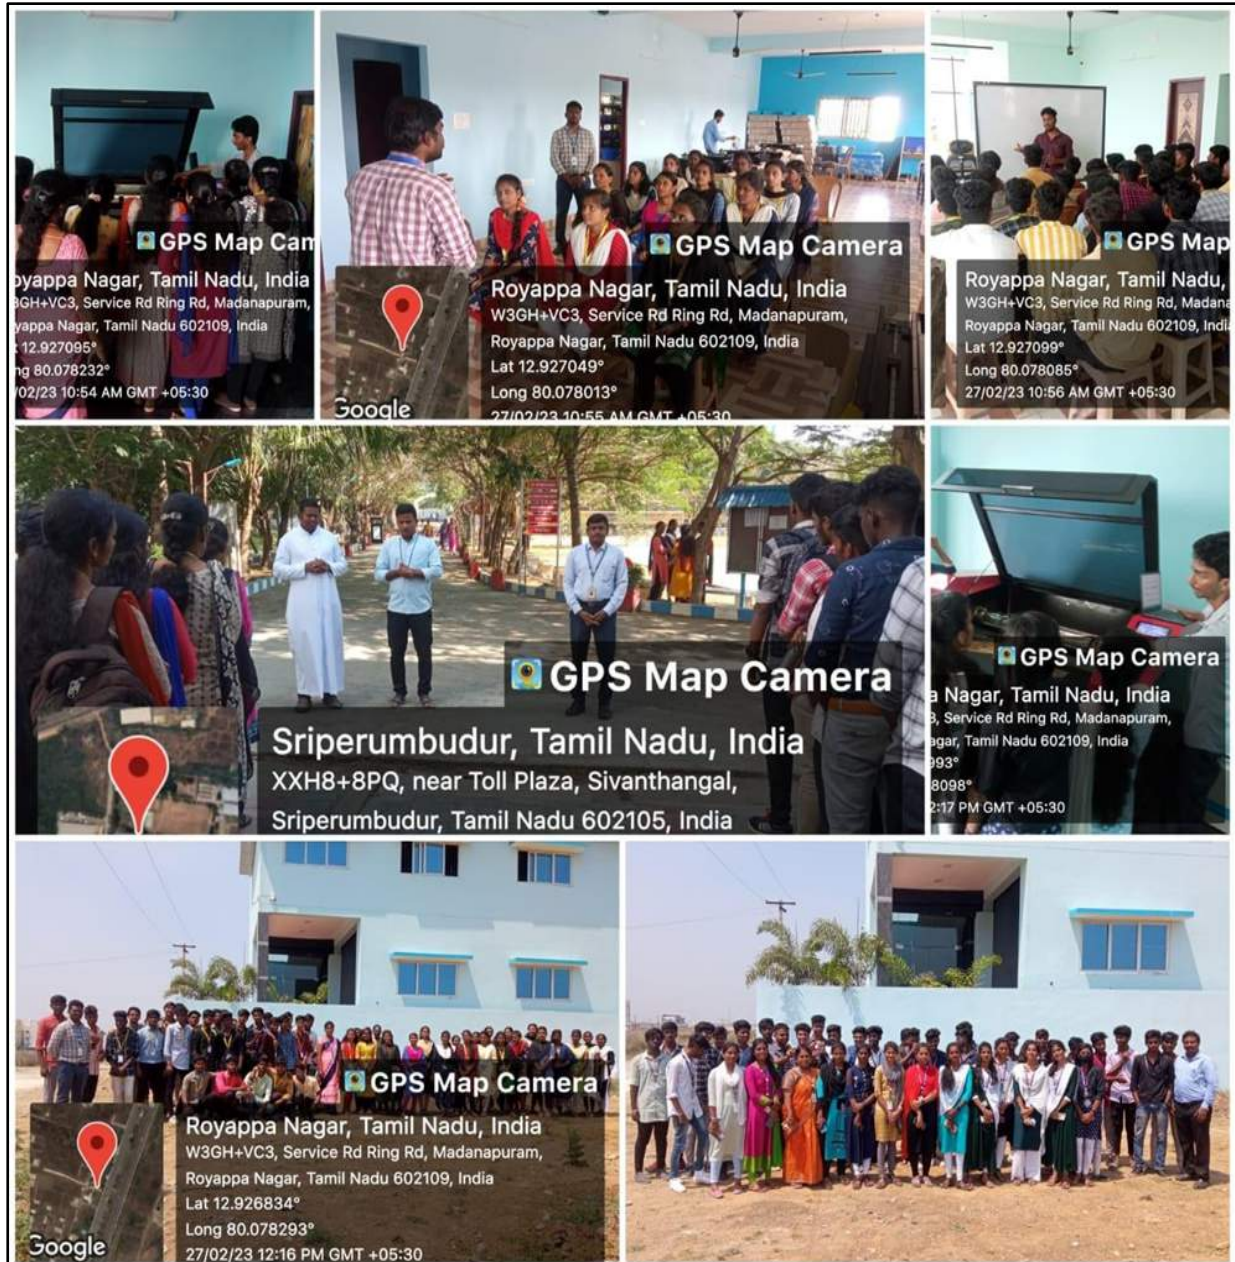

3.1.5. Seminar in Microsoft Training Program

The inaugural session of the program on **09-03-2023** at 01.30 pm with the

knowledge of Dr.T.Ahilan, Principal St. Joseph college of Engineering College has presided the session. The chief guest of the session Mr.Thanga Pandiyan from Microsoft Trainig Division, Chennai. Dr.M.Navaneethakrishnan, HOD Computer Science Department welcomed our chief guest.

3.1.6.Parents-Teacher Meet

Department of Computer Science and Engineering organized a Parent Teacher meeting on Saturday, 11.03.2023 in online mode for all II-year, III year and IV-year CSE. The main purpose of meet was to create a common platform, where teacher and parents communicate together to enrich the student's educational experiences and discuss variety of issues, regarding overall development of students.The meeting was organized under the guidance of Principal Dr.T.Ahilan and conducted by department HOD, Dr. M. Navaneetha Krishnan. Teachers and parents of college students attended the meeting in Google meet platform. The meeting was organized in different timing for all years. For second year timing was between 09:00 am to 09:30 am. For Third year from 09:35 am to 10:00 am and for Final Year it was from 10:05 am to 10:30 am.
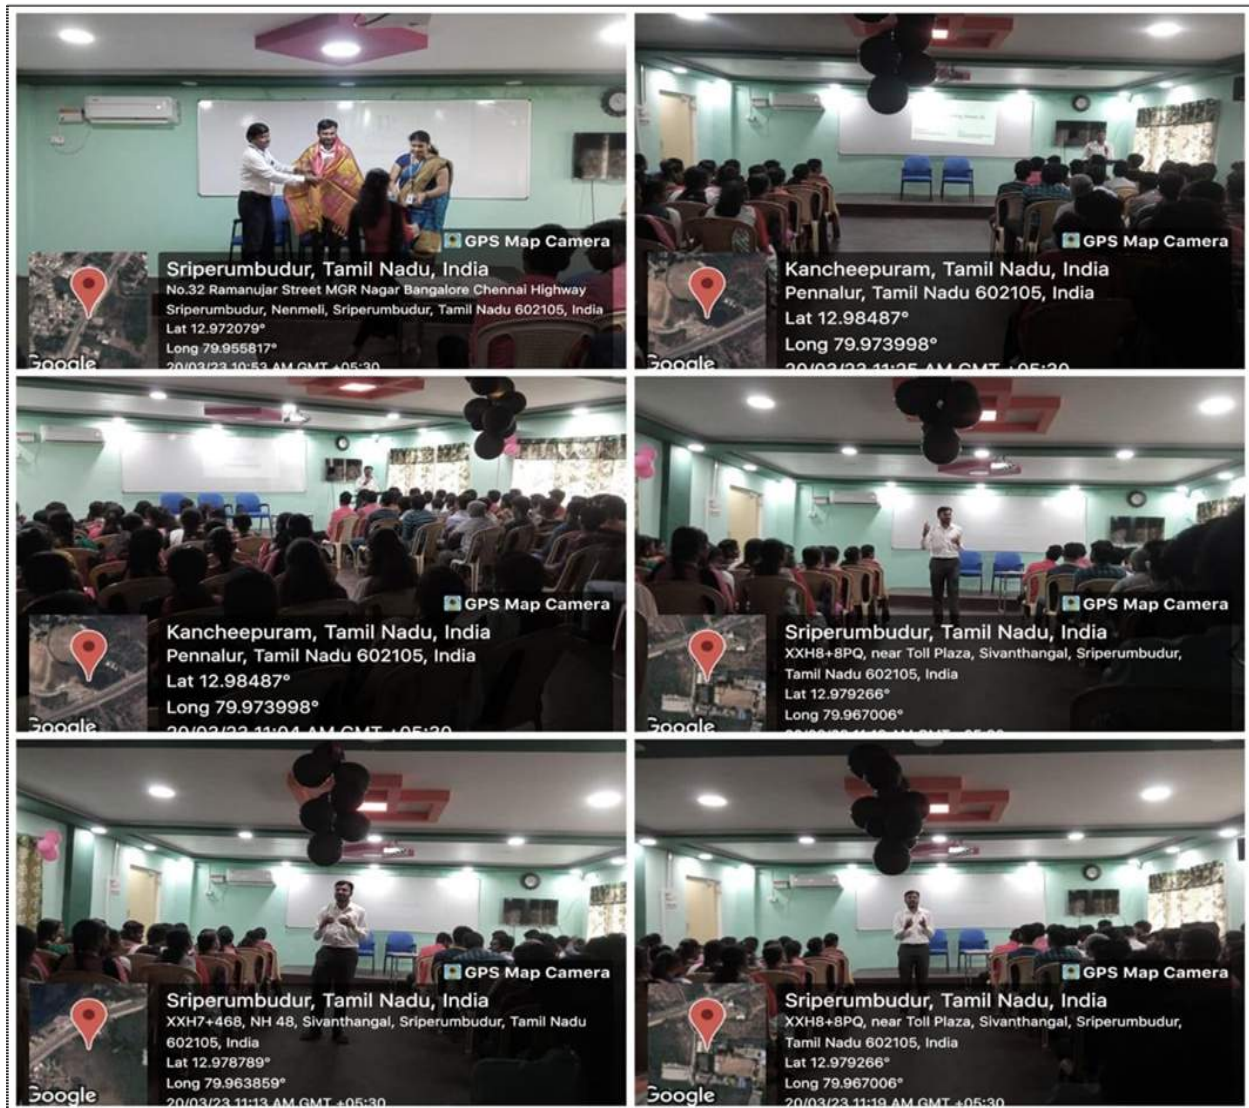

3.1.7. National Level Seminar on Data Analytic

The inaugural session of The inaugural session of the program on **16-03-2023** at

01.00 pm with the knowledge of Dr.T.Ahilan, Principal St. Joseph college of Engineering College has presided the session. The chief guest of the session Mr.Irfan Ali from Inventateq Private Ltd, Bangalore. Dr.M.Navaneethakrishnan, HOD Computer Science Department welcomed our chief guest with Momento.

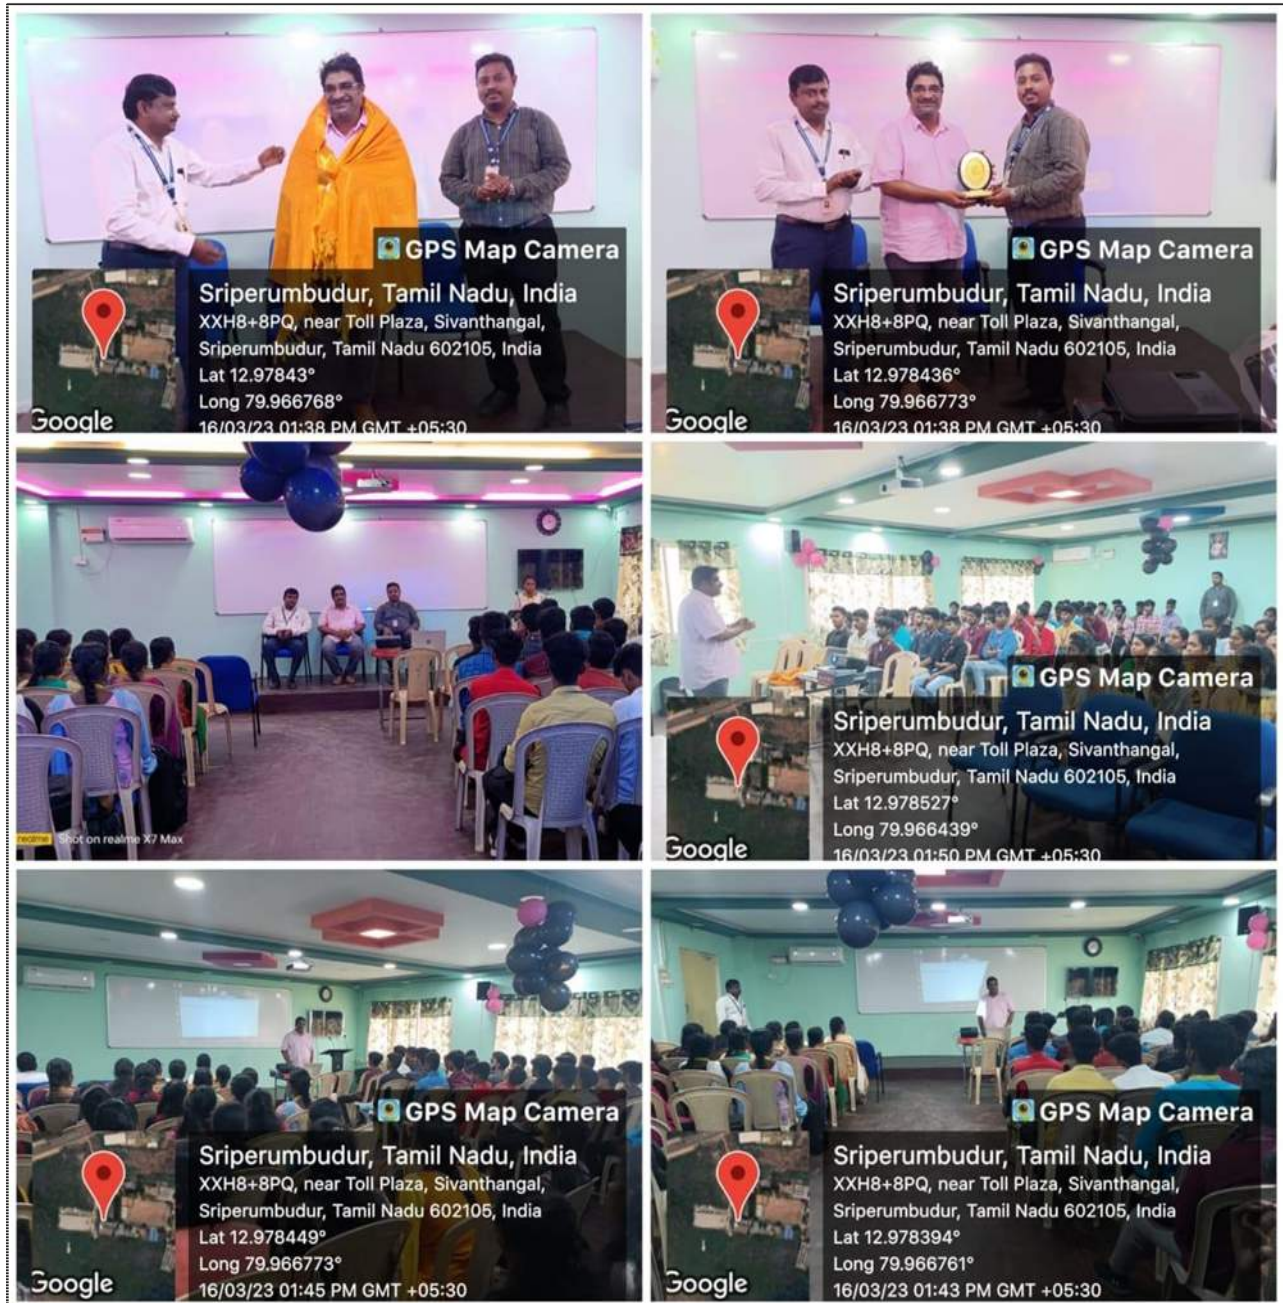

3.1.8. Seminar on MCT Program

The inaugural session of the program on **20-03-2023** at 10.00 am with the knowledge of Dr.T.Ahilan, Principal St. Joseph college of Engineering College has presided the session. The chief guest of the session Mr.Anoop H.A, Microsoft Trainer Certified from cloud that Technology, Bangalore. Dr.M.Navaneethakrishnan, HOD Computer Science Department welcomed our chief guest. On this occasion the Ms.Navyasri 3rdyear student addressing the gathering mentioned that St. Joseph College of Engineering is proud to organize this type of program of this kind and he welcomed Guest Mr.Anoop. H.A, faculties and all the students for taking part in the seminar program and encouraged them.

3.1.9. ICT Hands on Training Data Analytic Workshop

The inaugural session of the program on **13-02-2023** at 10.00 am with the presence of Dr.T.Ahilan, Principal St. Joseph college of Engineering College and Rev.Fr.L.Savariappan,MMI Administrator has presided the session. The chief guest of the session Resource Person Mr. Irfan Ali and Ms.Helen Chitra from ICT Academy. Dr.M. Navaneethakrishnan, HOD Computer Science Department welcomed our chief guest with Momento.
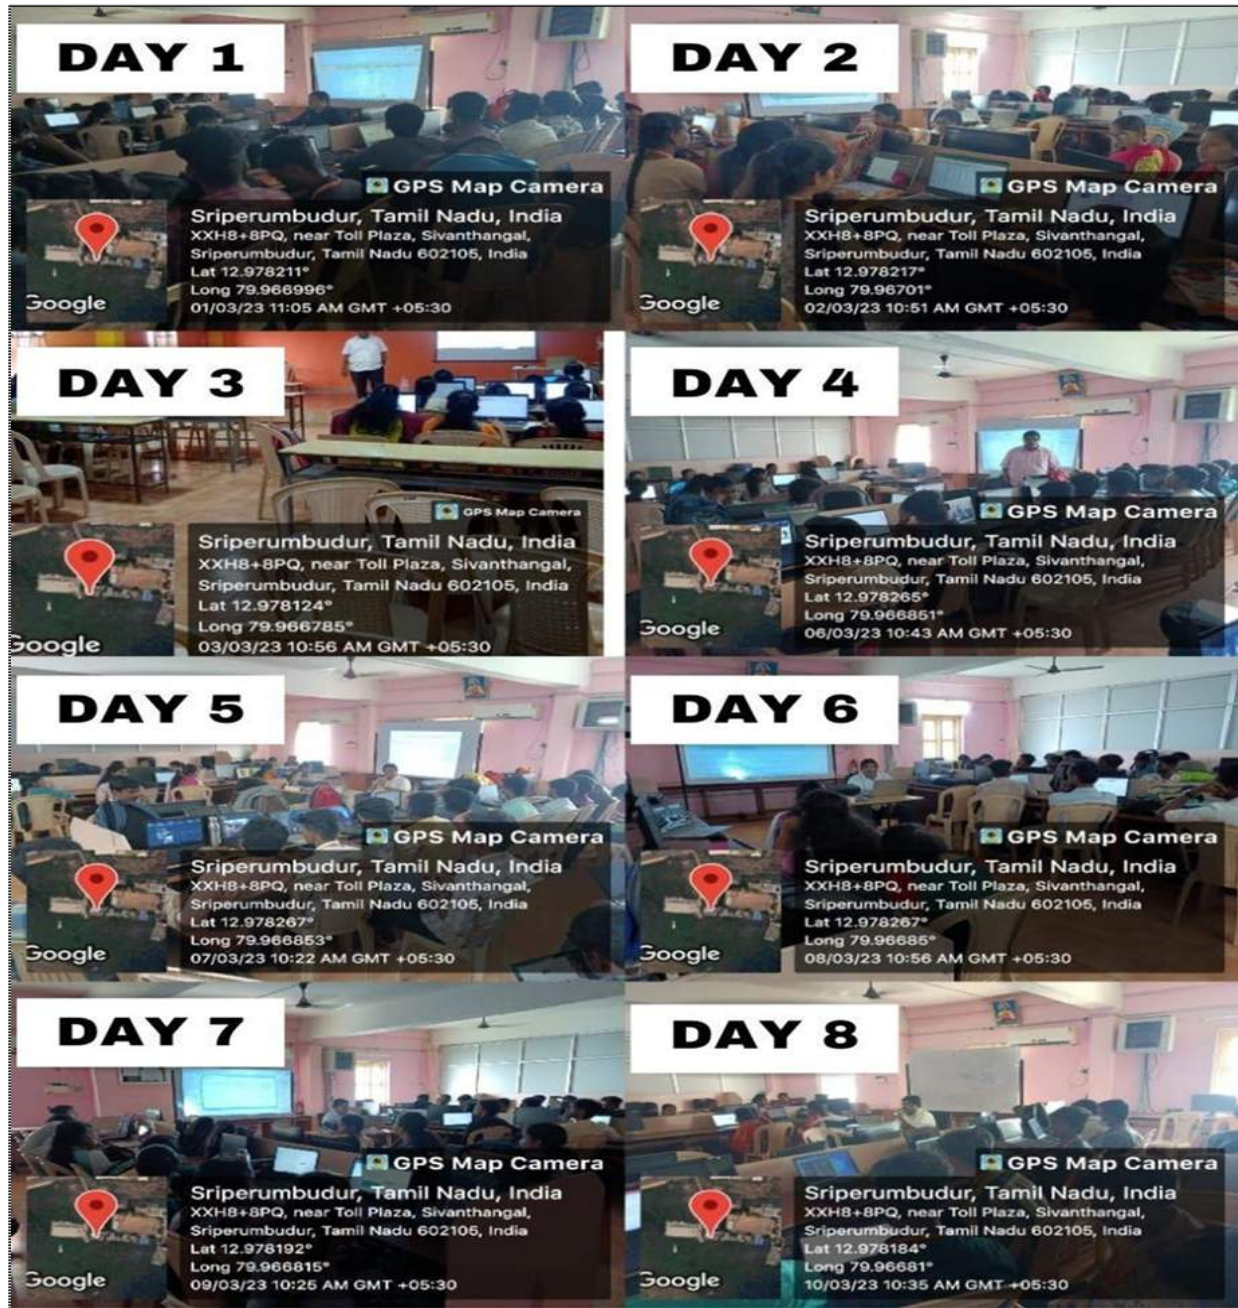

3.1.10. Industrial Visit – ISRO

A one day Industrial visit to Indian space Research Organization (ISRO), Thiruvananthapuram, Kerala was organized on **22/03/2023**(Wednesday). It was a half day visit by 37 students of Final year (8th semester) along with a faculty. ISRO Satellite Centre (ISAC) is the lead center of the Indian Space Research Organization (ISRO) responsible for design, development, assembly & integration of communication, navigation, remote sensing, and scientific and small satellite missions

3.1.11. Industrial Visit – Camino Info Tech Ltd.

The objective of the visit was to provide a Technical Exposure to the students about software and artificial intelligence and machine Learning and robotic technology. The visit not only provided a good insight into the quality of research happening in the area of technology but also gave great exposure to the students about the future career prospects and areas of research in applied sciences.

3.1.12. Department Assembly

The assembly was conducted on **09-03-2023** at 10.00 am in the presence of Dr.T.Ahilan, Principal St. Joseph college of Engineering College, Administrator and Dr.Navanidhakrishnan HOD of computer science and engineering department has presided the session. On this occasion the Ms.Gayathri the Second year student addressing the gathering mentioned that St. Joseph College of Engineering is proud to organize assembly sessions and she welcomed all the students and faculties for taking part in the Assembly and encouraged them. Event was started by Agenda reading Ms. Sofia Micklen, Prayer Song and Bible reading by Third year student Ms. Sofia Micklen and, Welcome address by Third Year student Ms. Kathija banu, ended the session by the vote of Thanks by Third year student Ms.Ayesha. The objective of the Assembly is to provide opportunities to the students to represent themselves in front of many and to make the students to open out to speak. The objective of the assembly is to help the students to get exposed to the latest technological information and placement related things to meet their upcoming tasks

### 3.1.13. Seminar in Word Press Plugging Program

The inaugural session of the program on **21-04-2023** at 01.00 PM in the presence of Dr.T.Ahilan, Principal St. Joseph college of Engineering College has presided the session. Our Department Head Dr.M.Navaneetha Krishnan welcomed our guest. On this occasion the Mr.Sethuraman the final year student addressing the gathering mentioned that

St.Joseph College of Engineering is proud to organise this type of program of this kind and he welcomed Guest Mr.E.Raghuvaran from our Department of Computer science and engineering, our faculties and all the students for taking part in the seminar and encouraged them. Event were started with prayer song by our department students and handed over the session to guest.

3.1.14. Farewell For Final Years (2019-2023)

Farewell is basically a get to gather kind of celebration for the seniors who will be soon steeping out of that our institution. Hence juniors wish their seniors a good luck for their next big adventures In an emotionally surcharged atmosphere inside the Dr.A.P.J.Abdul Kalam Seminar Hall of the SJCE college Campus. The students, staff and management of the SJCE College bid adieu to the students of 2019-2023 on 25/04/2023 around 03.00 pm the function had begun with the theme "Every Ending has a new beginning".
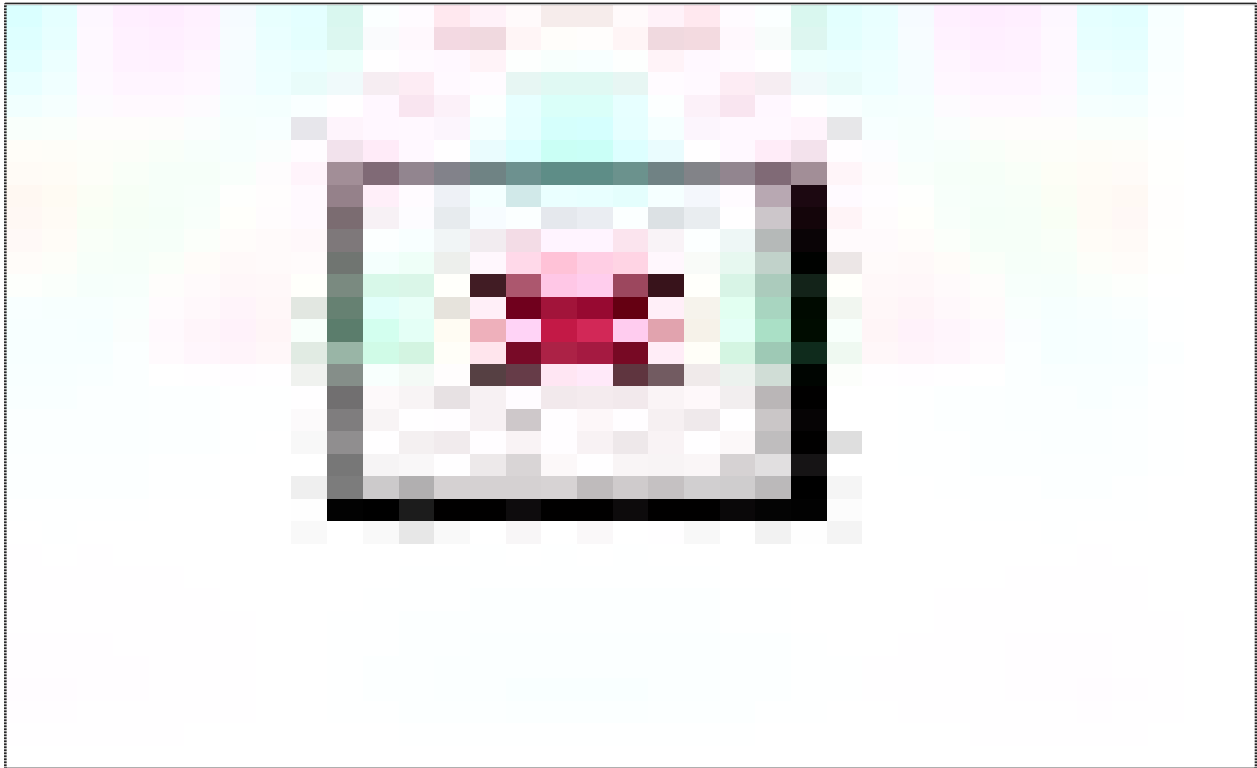

3.1.15. Java Orientation Program

Department of Computer Science & Engineering inaugurated Java Orientation Program for the final year students. The orientation program has been given as Technical Training (90 hrs) & Soft Skill Training (45 hrs) .Training was given by M/s Capgemini India Pvt Ltd.
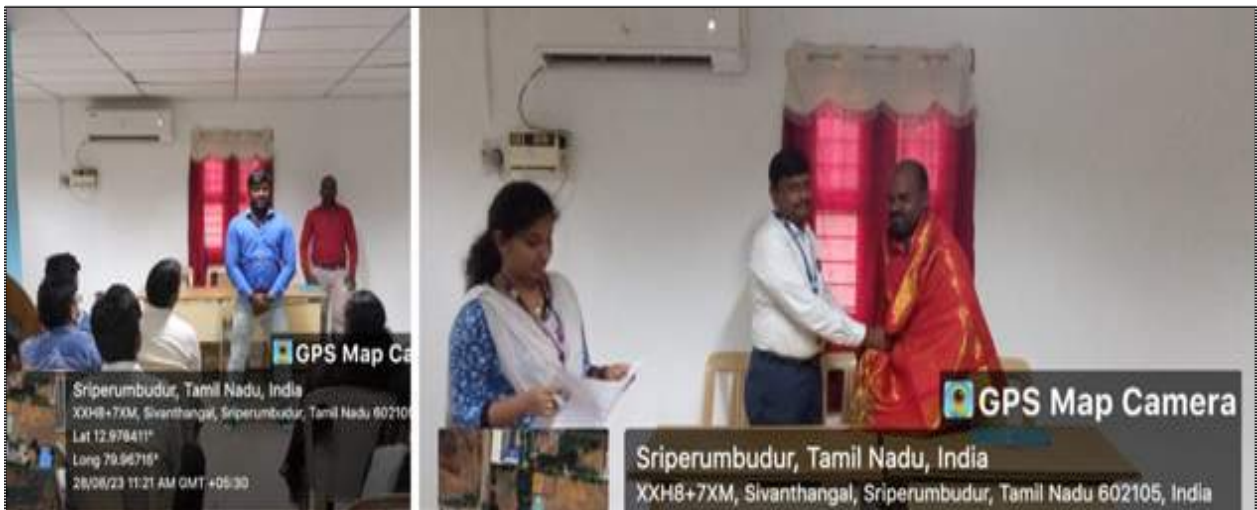

3.1.16. Orientation Program on Cloud Computing

An orientation session seminar was conducted on August 30,2023 on Cloud Computing, for third and final year students by the resource person Ms.Anitha., software Engineer, Cognizant Technology.

3.1.17. Naan Mudhalvan Project Expo

Students of Department of Computer Science & Engineering has presented **NAAN MUDHALVAN PROJECT** successfully to Honourable Tamil Nadu Chief Minister Thiru. M.K.Stalin on August 07, 2023. Our Students project has been selected as the best project under NAAN MUDHALVAN SCHEME competed against three districts Chennai, Chengalpattu and Kanchipuram.

3.1.18. Workshop – Full Stack Development

The inaugural session of the program on **01-09-2023** and the workshop conducted for two days on 01-09-2023 & 02-09-2023 at 09.00 AM to 03.00 PM. Our Department Head Dr.M.Navaneetha Krishnan welcomed our guest. On this occasion Ms.Gayathri from Third year student addressing the gathering mentioned that St.Joseph College of Engineering is proud to organise this type of program of this kind and he welcomed Guest Dr.B.Ezhilavan, Founder, Vei Technologies Pvt Ltd, Chennai, our faculties and all the students for taking part in the seminar and encouraged them.

3.1.19. Industrial Visit – M/S.Monolith Solution

The objective of the visit was to provide an M/s.Monolith Solution Pvt Ltd to the students about AR&VR software. The visit not only provided a good insight into the quality of research happening in the area of technology but also gave great exposure to the students about the future career prospects and areas of research in applied sciences. One day Industrial visit to M/s.Monolith Solution Pvt Ltd was organized on **04/09/2023**(Monday) . It was full day visit by 55 students of Final year (7th semester) along with 2 faculties.
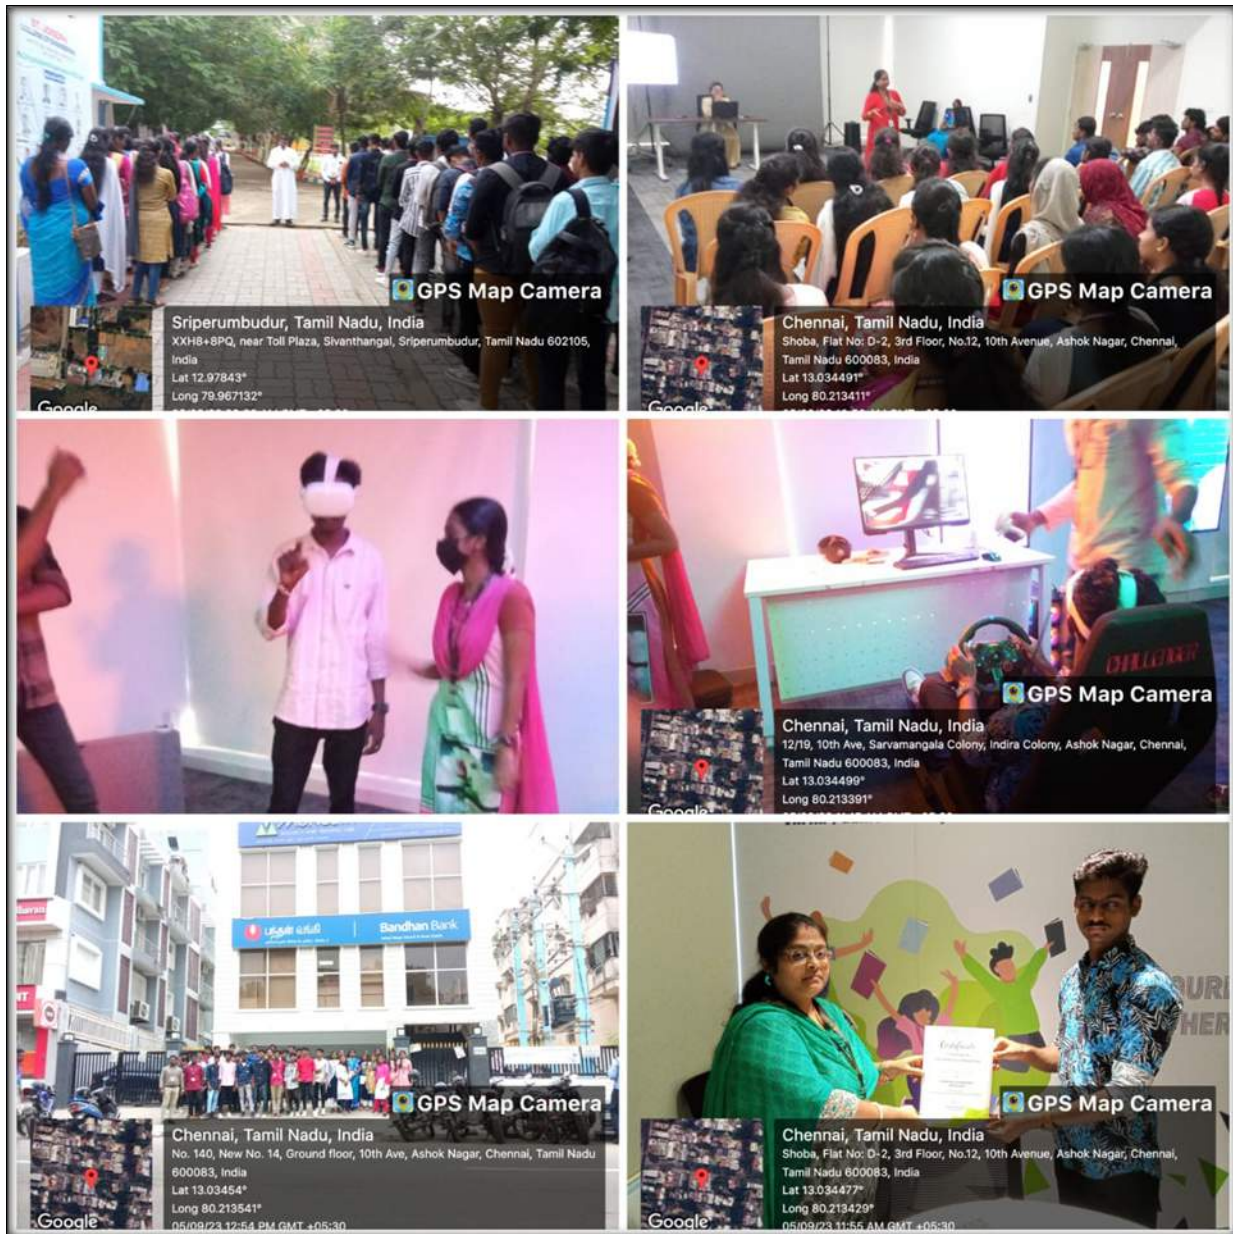

3.1.20. Industrial Visit – M/S.Monolith Solution

The objective of the visit was to provide an M/s.Monolith Solution Pvt Ltd to the students about AR&VR software. The visit not only provided a good insight into the quality of research happening in the area of technology but also gave great exposure to the students about the future career prospects and areas of research in applied sciences. One day Industrial visit to M/s.Monolith Solution Pvt Ltd was organized on **05/09/2023**(Tuesday) . It was full day visit by 63 students of Third year (5th semester) along with 2 faculties.

3.1.21. Seminar – Soft Skill Development

The inaugural session of the program on **07-09-2023** at 09.00 PM. The Workshop was conducted on two days on 07-09-2023 and 08-09-2023. Our Department Head Dr.M.Navaneetha Krishnan welcomed our guest. On this occasion the Ms.Navya Sri the final year student addressing the gathering mentioned that St.Joseph College of Engineering is proud to organise this type of program of this kind and he welcomed Guest Mr.Vinoth Kumar from Global Talent Track Solution, Chennai, our faculties and all the students for taking part in the seminar and encouraged them. Event were started with prayer song by our department students and handed over the session to guest.
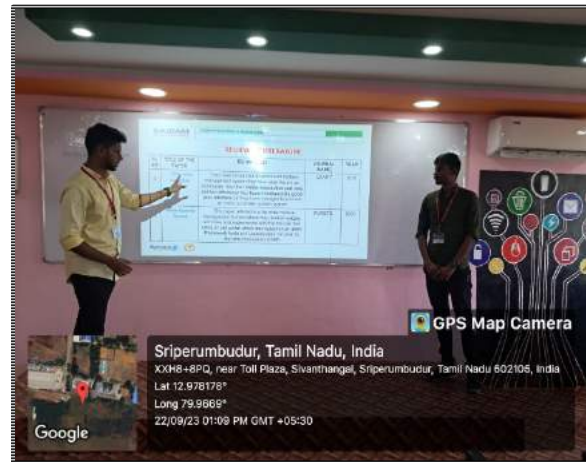

3.1.22. Seminar –Full Stack

The inaugural session of the program on **23-09-2023** at 10.00 AM. Our Department Head Dr.M.Navaneetha Krishnan with the presence of our beloved Principal, our Father and Sisters welcomed our guest. On this occasion the Ms.Navya Sri the final year student addressing the gathering mentioned that St.Joseph College of Engineering is proud to organise this type of program of this kind and he welcomed Guest Mr.Pazhanikumar and Mr. Sander pichai from, Imarticus Learning Pvt Ltd Chennai, our faculties and all the students for taking part in the seminar and encouraged them. Event were started with prayer song by our department students and handed over the session to guest.
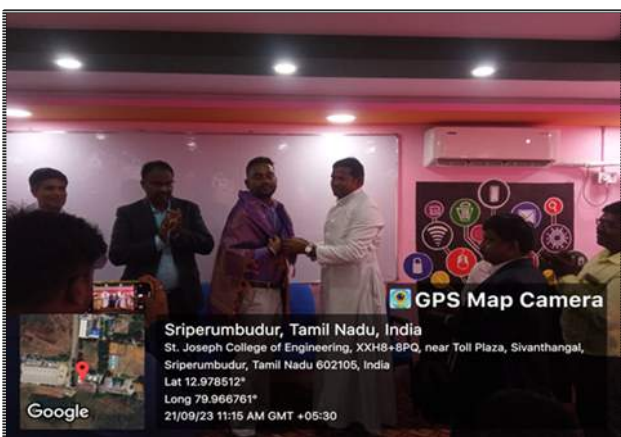

3.1.23.Technical Symposium

The Department of Computer Science and Engineering conducted Symposium named SILICON SPECTRUM – 2K23 (which sounds festival with the full of Mysteries and Intelligence) for the year 2022-2023 on **22-09-2023**. The symposium started with its technical and non-technical events by 10.30 A.M. was conducted around 3.00 P.M. The Staff Coordinator Mr.E.Raghuvaran and Students coordinator Mr.S.Arjun and Ms.S.Navya sri. This symposium witnessed the enthusiastic participation of over 50 students in over 7 events that tested their wits and abilities. The following are the events that were organized as part of the symposium are

3.1.24. Industrial Visit – Birla Planetarium

Industrial visit was organized by St. Joseph college of Engineering, for the II Year students of Computer Science and Engineering in order to get the practical Knowledge about science. One day Industrial visit to Birla Planetarium was organized on 13/10/2023(Friday). It was full day visit by 57 students of second year (3rd semester) along with 2 faculties.

3.1.25. Seminar – Global Talent Track Solution

The inaugural session of the program (webinar) on 14-10-2023 at 05.00 PM. Our Department Head Dr.M.Navaneetha Krishnan with the knowledge of our beloved Principal and our Father welcome our guest. On this occasion the Ms.Navya Sri the Final year student addressing the gathering mentioned that St.Joseph College of Engineering is proud to organise this type of program of this kind and he welcomed Guest Mr.Dinesh Kumar from Global Talent Track Solution, Chennai, our faculties and all the students for taking part in the seminar and encouraged them. Event was started with prayer song by our department students and handed over the session to guest.
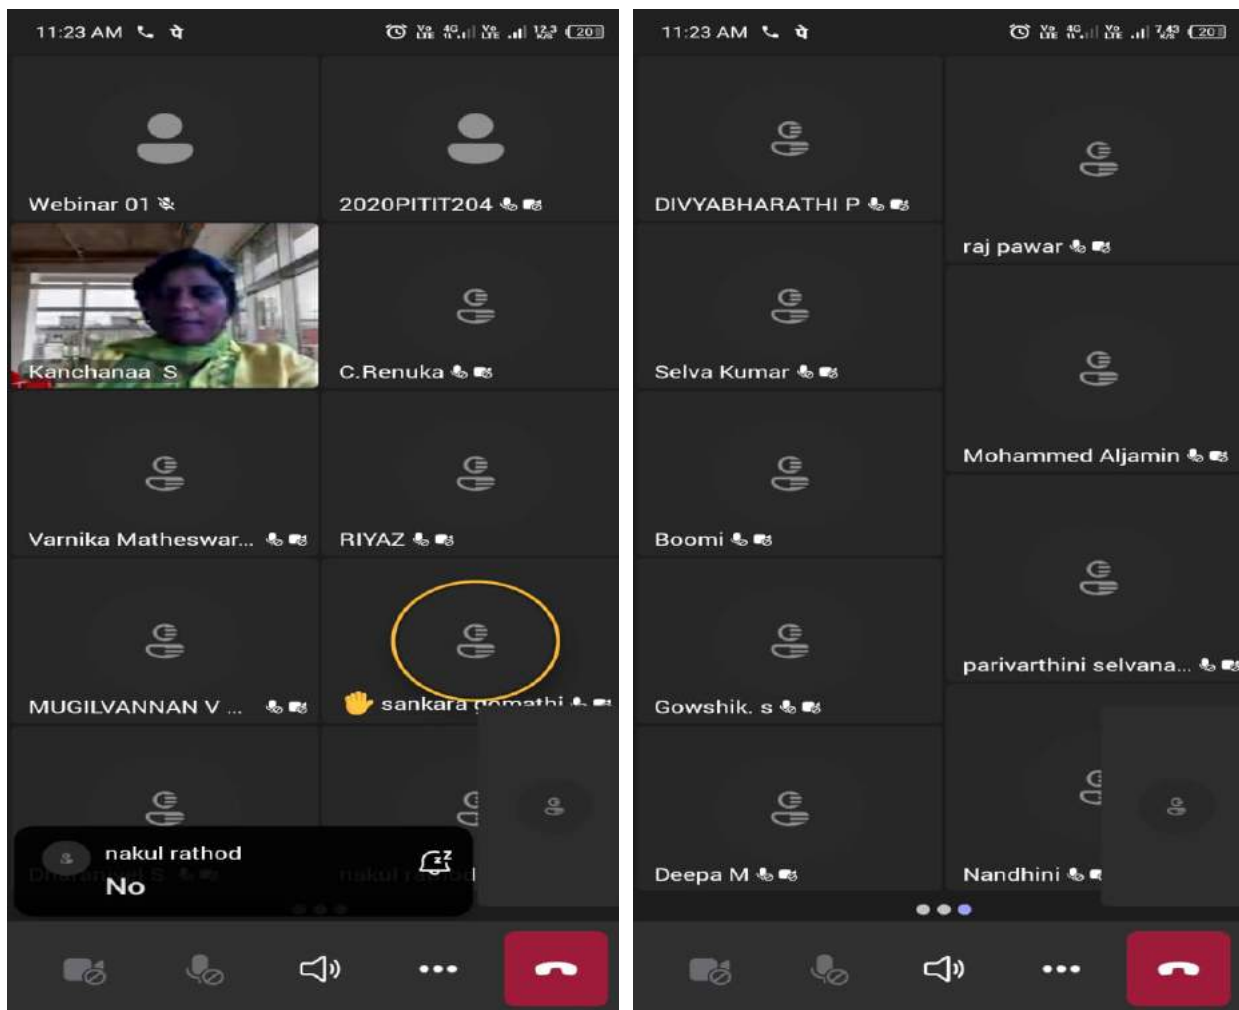

3.1.26. Guest Lecture – Retech Solution

The inaugural session of the program on **14-10-2023** at 09:00 a.m. Our Department Head Dr.M.Navaneetha Krishnan with the knowledge of our beloved Principal and our Father welcome our guest. On this occasion the Mr.Raghul the Second year student addressing the gathering mentioned that St.Joseph College of Engineering is proud to organise this type of program of this kind and he welcomed Guest Mr.Tharik Anwar, software developer from Retech Solution, Chennai, our faculties and all the students for taking part in the seminar and encouraged them. Event were started with prayer song by our department students and handed over the session to guest.

3.2. ELECTRONICS AND COMMUNICATION ENGINEERING

3.2.1.CISCO Networking: A Comprehensive Workshop

Department of Electrical & Electronics Communication Engineering organized a 3-Days on CISCO Networking: A Comprehensive Workshop held from 20.02.2023 to **22.03.2023** and our Resource Person is Mr. Mohan Muthu, Proprietor, Best Route Consulting, Coimbatore, for the students & faculty Cisco Systems is one of the most recognizable names in the world of networking.
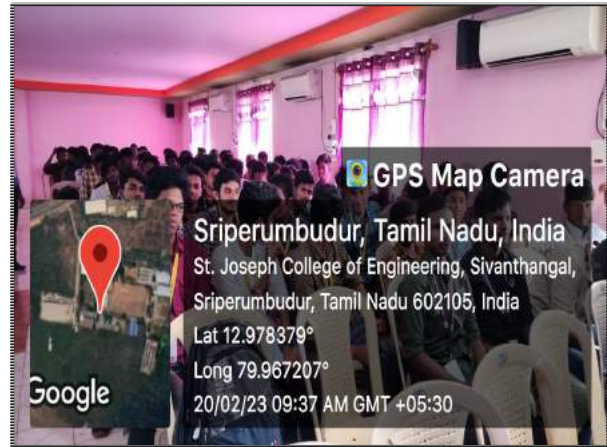

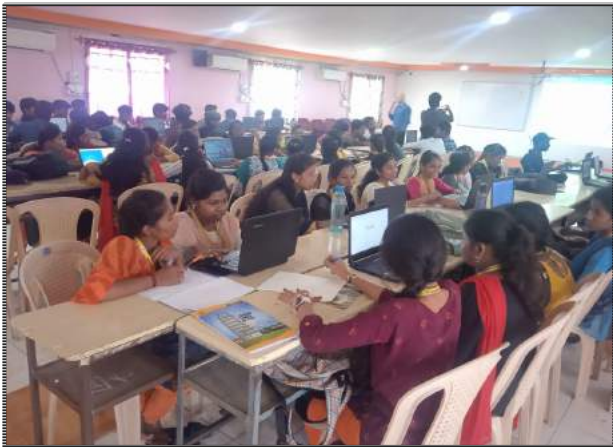

3.2.2. Industrial Visit - Sansbound Networking

Department of Electronics & Communication Engineering went for an Industrial Visit for III Year ECE students to SANSBOUND NETWORKING, West Mambalam, Chennai on **21.03.2023**.

3.2.3. Department Assembly

Department of Electronics & Communication Engineering conducted the first assembly of this academic year 2023-24 for students on August 03, 2023 & next assembly on 24th of August 2023. Our beloved HOD, Dr. P.Chinniah presented a speech for the start of New Academic Year. All the students and faculty members attended the assembly meeting. It helps in building a culture of communication and representation of academic and co-curricular activities.

3.2.4.Technical QuiZ

Technical Quiz was organised by Mr. Santhosh, AP/ECE on August 05, 2023 for III year and IV year students of ECE. 152 Students participated in the event.

3.2.5. Independence Day Celebration

The 77th Independence Day was celebrated by the students and Staff members of ECE on August 14, 2023 in the Thomas Alva Edison Hall. A Debate competition was conducted on Theme "Whether freedom is being defended or celebrated, then and now" from 2:00 PM to 3:00 PM for the students of III Year & IV Year. The event was organized by Dr. P.Chinniah, HOD/ECE. The aim of organizing this debate competition was to hone the public speaking skills of the students and teach them to be articulate while expressing their thoughts and opinions. The session was the kaleidoscope of opinions, thoughts and perspective that enhanced the knowledge and understanding about the freedom then and now among students.

3.2.6. Industrial Visit- Sansbound Solutions Pvt Ltd

Students of third year ECE A visited Sansbound Solutions Pvt Ltd on August 22, 2023 & third year ECE B visited the same on August 24, 2023. This one day Sansbound Networking Industrial Visit is organized to provide the students in-depth knowledge about Networking and careers with necessary distancing and proper sanitization. Also, it was strictly a non-advertising workshop and Industrial Visit. Students got an opportunity to acquire live theoretical and practical training on networking and working of Routers, Switches and Firewalls.
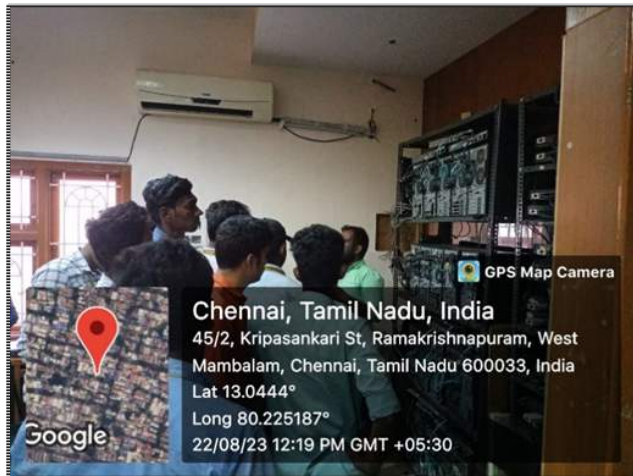

3.2.7. Seminar - Hardware Design & Communication Protocols

Department of Electronics & Communication conducted a Technical seminar on the topic Hardware Design & Communication Protocols on August 26, 2023 at Thomas Alva Edison Hall. Department Alumni, Mr. Vinod Kumar , Validation Engineer, Microchip Technology , Chennai was the Resource Person for the program.

3.2.8. Orientation Program

Department of Electronics and Communication Engineering organised an orientation program on August 31, 2023 on Embedded systems with the support of CADEPT TECHYS Software Training Institute, Chennai.

3.2.9. Seminar on VLSI Technology

  The Department of Electronics and Communication Engineering organized one day Seminar on "VLSI TECHNOLOGY" for final year students on 08.09.2023. Programme started exactly by 9.30 A.M at James Watt Hall with prayer followed by the Bible reading by Final Year students. Dr.P.Chinniah, HOD/ECE introduced the resource person and the session was handed over to the resource person Mr. Prashanth Nagarajan Director, Epical Layout Private Limited, Velachery, Chennai. All the Students actively participated and greatly benefited from it by enhancing their technical knowledge in VLSI and hardware design implementation.
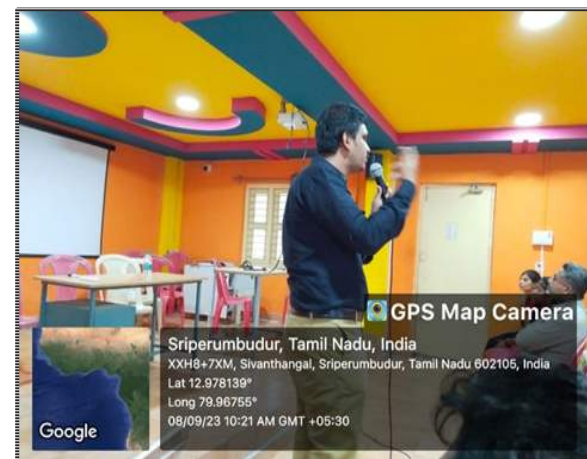

3.2.10. Workshop- Digital Integrated Circuits

A three - days' workshop on "Digital integrated circuits with schematic entry, spice simulation & layout designing EDA tools" has been conducted for III year ECE students on 05.09.23, 07.09.23 & 08.09.23 at Thomas Alva Edison Hall. More than 80 students participated in the program.

3.2.11. Industrial Visit-CSIR

We marked the anniversary of the founding of CSIR on September 26, 2023. Our ECE students in their last year visited the CSIR lab at Tharamani, Chennai, to commemorate the anniversary. Both students and staff left the institution at 8 in the morning to start the day. By 10 a.m., we had arrived at the CSIR campus, where our group had the chance to tour the various labs. Dr. P. Chinniah, HOD/ECE, painstakingly planned the visit.

3.2.12. Symposium

The National level technical symposium VOLTZFEST'23 was conducted on 22nd September by Department of Electronics and Communication Engineering, St. Joseph College of Engineering, Sriperumbudur. VOLTZFEST'23 was an amalgamation of various technical, non-technical and on spot events. The technical events organised were paper presentation, poster presentation, Minor project, workshop and level up. The inaugural function was followed by the various pre-planned technical, nontechnical and on spot events respectively. The technical and non-technical events were judged by many reputed judges from our department. The symposium was a grand success with more than 100+ registrations from across 15 different institutions. In the end, the valedictory ceremony was held where all the winners were awarded and the certificates were distributed.

3.2.13. Placement Training

The students from Electronics & Communication Engineering attended the Soft Skill Training Program from 25/9/2023 to 26/9/2023. It was conducted by Smile Training Resource Pvt Ltd. 53 students from II year ECE attended the Placement Program

3.2.14. Workshop- Cisco Networking

A three Days workshop on the topic "CISCO NETWORKING" was organised by Department of Electronics and Communication Engineering from 03/10/2023 to 05/10/2023 with the Resource Person Mr. Mohan Muthu, Proprietor, Best Routing Consulting Services, Coimbatore.

### 3.2.15. Seminar -Barclays Lifeskills Training

The Department of Electronics and Communication Engineering organized two days Seminar on "BARCLAYS LIFESKILLS TRAINING" for the students on 13.10.2023. Programme started exactly by 8:00 a.m. with prayer followed by the Bible reading by final year students. Dr.P.Chinniah, HOD/ECE felicitated the gathering and the session was handed over to the resource person Ms. Christina Jayanthi, Life Skill Trainer,Chennai.

3.2.16. Seminar - Roadmap To Data Analytics & Science

The Department of Electronics and Communication Engineering organized one day Seminar on "**ROADMAP TO DATA ANALYTICS & SCIENCE**" for final year students on 20.09.2023. Programme started exactly by 9:30 a.m. at James Watt Hall with prayer followed by the Bible reading by Third Year students. Dr.P.Chinniah, HOD/ECE

introduced the resource person and the session was handed over to the resource person Sharon Rubavathy.J, Alumini , Senior Data Analyst Siemens, Bangalore.
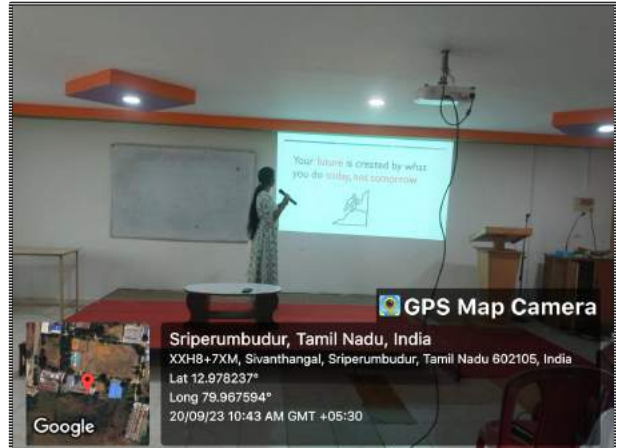

3.3. INFORMATION TECHNOLOGY

3.3.1. Seminar -Full stack

Department of Information Technology conducted the seminar for the introduction on "Full stack" in Java, Python, frameworks related to Agile/SDLC, HTML, CSS, SQL, Mongo db, course on 7/2/2023 by the TNS India Foundation(TNSIF) conducting a "Campus to Technical Careers (C2TC)program" for enhancing the employability and workspace skills.

3.3.2 Seminar - Cyber Security and Ethical Hacking

Department of Information Technology also conducted a seminar on "CYBER SECURITY AND ETHICAL HACKING" on 22/2/2023 by the resource person Mr.Surya, Trainer, Dream to Engineers and Alumni of our college.

3.3.3.Workshop -Data Analytics

Department of Information Technology and Computer science and Engineering conducted the Three Weeks Workshop (Hands on Training) in "Data Analytics" from 13/2/2023 to 10/3/2023 by an initiative of PAYPAL implemented by ICT ACADEMY.

3.3.4 Workshop - Fullstack Development

Department of Information Technology organized the course on FULLSTACK DEVELOPMENT by the company name Sun Stone presented by Ms.Shamili on 23/2/2023 for the scheme of   Naan Mudhalvan. The program initiative taken by TN Govt along with Anna University.
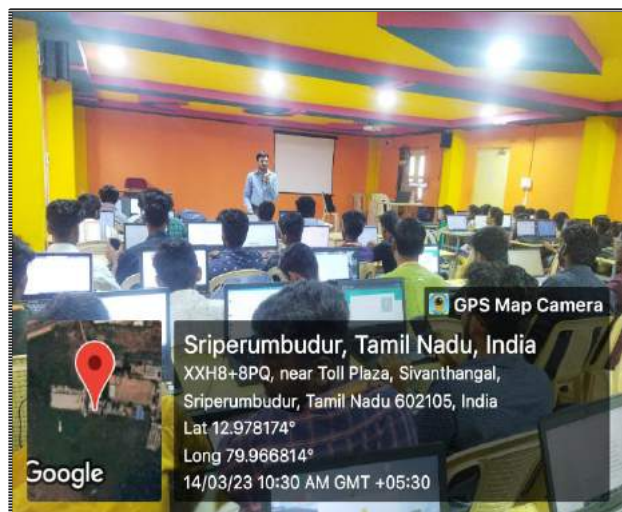

3.3.5 Seminar-Artificial Intelligence

Department of Information Technology conducted the Seminar on **ARTIFICIAL INTELLIGENCE** on 02.03.2023 presented by **Mr.M.Jeevanandham,** Software Trainer, **FIIT.** Also conducted the Seminar in "**Data Analytics**" on 20/3/2023 to third year students by ICT Academy.

3.3.6 Workshop - Data Analytics

Department of Information Technology conducted the Three Weeks Workshop (Hands on Training) in "Data Analytics" from 13/2/2023 to 20/3/2023 by an initiative of PAYPAL implemented by ICT ACADEMY. Third week training is conducted from 13/3/2023 to 20/3/2023. Finally, the three weeks of workshop training was completed successfully.

3.3.7 Guest Lecture- Artificial Intelligence And Machine Learning

Department of Information Technology organized the Guest Lecture on ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING presented by Dr.N.JAISHANKAR,M.E,Ph.d, HOD of M.N.M Jain Engineering College on 30.03.2023.

3.3.8 Industrial Visit- Retech Solutions Pvt Ltd

Department of Information Technology arranged the Industrial Visit for Third year students to the company name RETECH Solutions Pvt ltd, Tambaram on 07.03.2023. Department of Information Technology arranged the Industrial Visit for Final year students to the company Afi technologies on 30.03.2023 and livestock development board on 01.04.2023

3.3.9 Seminar - Data Science

Department of Information Technology organized the seminar on **DATA SCIENCE** presented by **Mr.P.Saravanan, Mentor, NIIT,** CHENNAI on 21/04/2023.

3.3.10 Workshop- Fullstack Development

Department of Information Technology conducted the course on **FULLSTACK DEVELOPMENT** by the company name **Sun Stone** presented by **Mr.Akhilesh** on 10/04/2023 for the scheme of **Naan Mudhalvan.** The program initiative taken by TN Govt along with Anna University
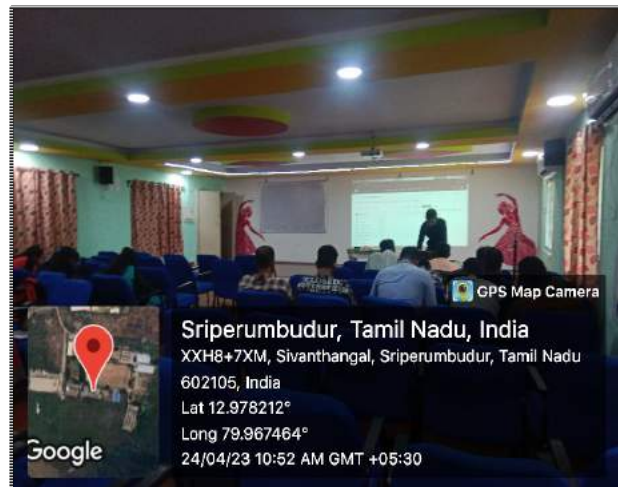

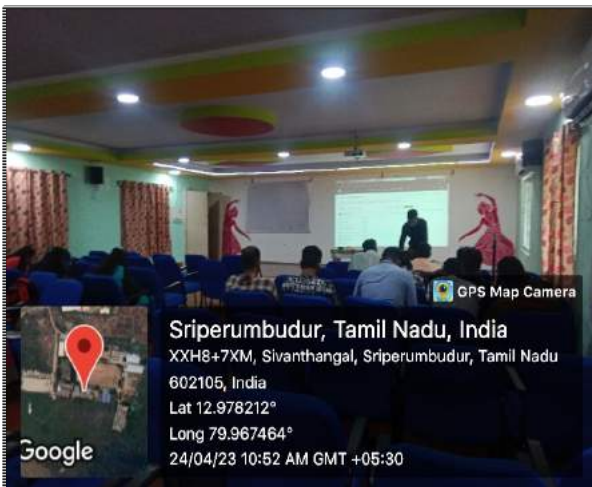

3.3.11 Farewell For Final Year (2019-2023)

Department of Information Technology organized the **FAREWELL DAY Function 2023** on **24/4/2023** for the final year students of information technology by the junior students**.**

3.3.12 Guest Lecture- Theory Of Computation

Department of Information Technology conducted the Guest Lecture on Theory of Computation (TOC) presented by Dr. V. VijayaRajan, Professor, HOD at VIT University 12/05/2023. Total 63 students of second year attended the guest lecture.

3.3.13 Yuva Sangam:

Final year Student Mr**.D.Tamil Selvan** participated in the scheme of **Ek Bharat Shreshtha Bharat,** Exposure visit to various states of India on Youth Exchange Program Initiative by the Government of India held at **IIT PATNA, Bihar**, from **Tamilnadu to Bihar** from 8th May to 18th May 2023. The welcome program started at NIT Trichy on 7th May 2023.

3.3.14 Industrial Visit- IIITDM

Department of Information Technology organized the industrial visit to Teaching Learning Center, **IIITDM (Indian Institute of Information Technology, Design Manufacturing),** Kancheepuram on 03/05/2023. 55 Students of Second year and 2 faculties attended the Industrial Visit Session of Makerspace Orientation.

3.3.15 Workshop- Full stack

Department of Information Technology conducted the seminar for the introduction on "**Full stack**" in Java, Python, frameworks related to Agile/SDLC, HTML, CSS, SQL, Mongo db, course on 28/8/2023 by the **TNS India Foundation(TNSIF)** conducting a "**Campus to Technical Careers (C2TC)program**" for enhancing the employability and workspace skills.
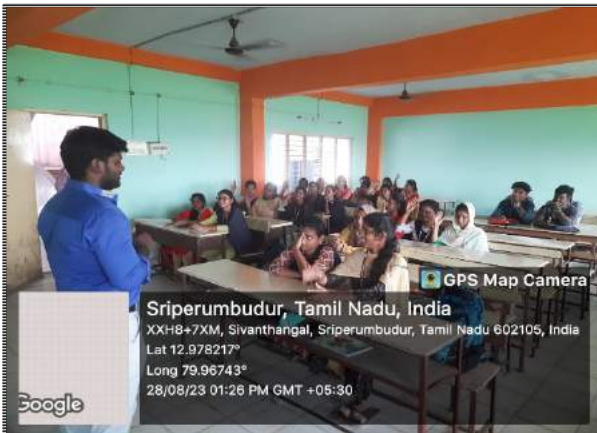

3.3.16 Industrial Visit- Rajiv Ghandhi Memorial Telecom Training Centre

Department of Information Technology arranged the Industrial Visit for the **62** students of **Third year IT** to **RAJIV GHANDHI MEMORIAL TELECOM TRAINING CENTRE., BSNL,** Chennai., on 26/8/2023. Students gained knowledge about Networking which was briefed by Mrs. Sandhya. Students had a real time experience on the networking and Telecommunication systems

3.17 Assembly

Department of Information Technology conducted the assembly meet on 04/08/2023 from 10.00 am to 11.00 am. It started with prayer Song, followed by Bible Reading & Quote of the day was delivered. HOD and Staffs motivated the students to upskill themselves and gave an instruction for the placement and Academic Growth.

3.3.18 Webinar - Fullstack Development

Department of Information Technology arranged the Webinar on Full stack Development on 09/09/2023 presented by Mr.Sabarish from Imarticus Learning Pvt Ltd. 62 students of third year IT attended the webinar and got their certificate for participation.
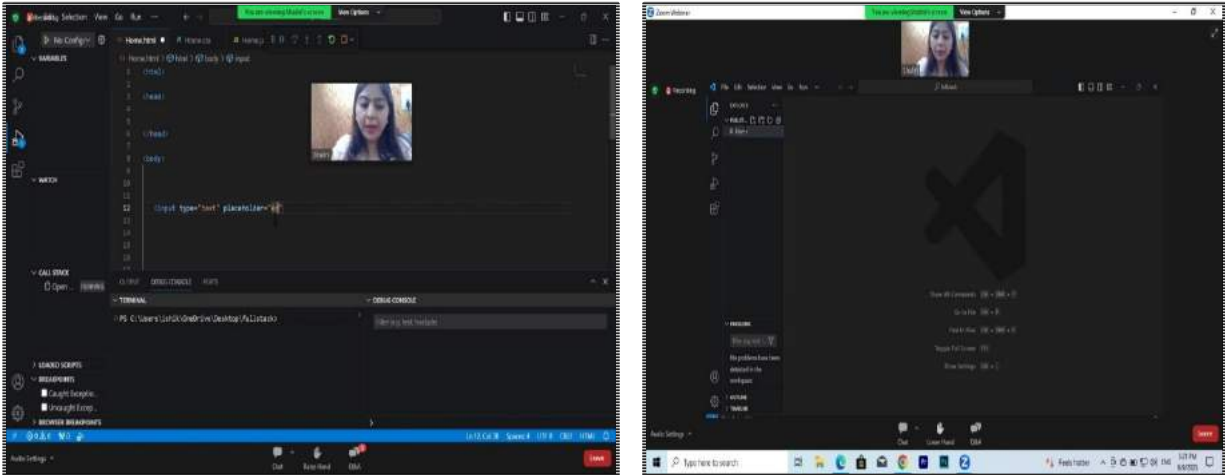

3.3.19 Industrial Visit- ISRO

Department of Information Technology arranged the Industrial Visit for the 53 students of Final year IT to ISRO - Satish Dhawan Space Centre (SDSC) SHAR, Sriharikota, Nellore District, Andhra Pradesh., on 14/09/2023. Students gained knowledge about Space Research which was briefed by Mr.P.Gopi Krishna. Students had a real time experience on the Space Research and Telecommunication systems.

3.3.20 Soft Skill Training Program

The students from information Technology attended the Soft Skill Training Program from 25/9/2023 to 26/9/2023 and from 3/10/2023 to 6/10/2023. It was conducted by Smile Training Resource Pvt Ltd. 57 students from II year IT attended the Placement Program.

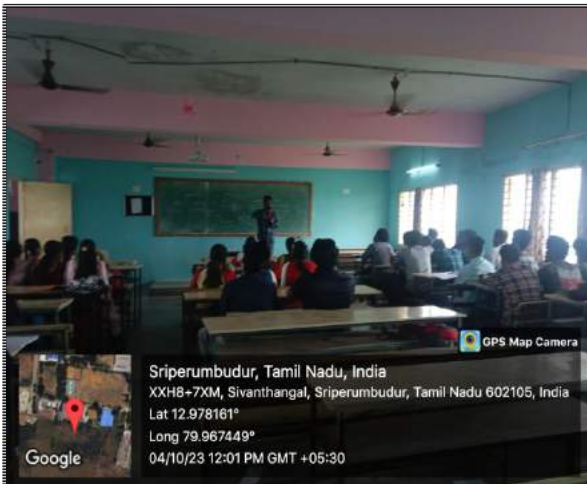

3.3.21 Seminar-Datascience

The second year students from Information Technology attended the seminar on Data Science and its Applications on Oct 13th 2023 presented by Mr.M.THARIK ANWAR from RETECH SOLUTIONS PVT LTD. Totally 57 students attended the seminar.

3.3.22 Webinar- Unlocking The Power Of Machine Learning

Department of Information Technology organized the Webinar on Unlocking the Power of Machine Learning on 16/10/2023 presented by Mr. Madhur Gulsan, Assistant Director.
 Final year and Third Year IT students attended the webinar and gained the knowledge.
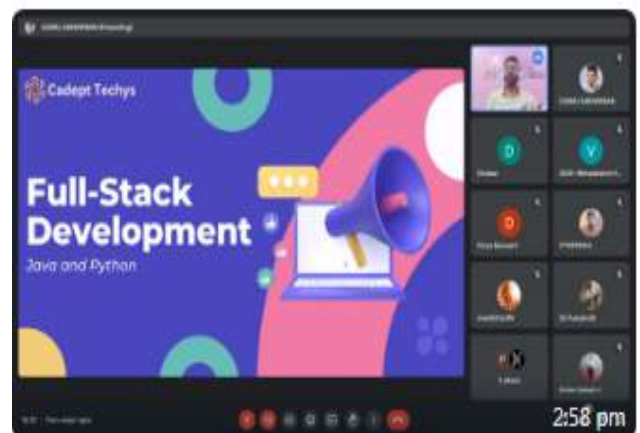

3.3.23 Webinar-IT Industry- Choosing The Correct Career In It Sector

Department of Information Technology arranged the Webinar on IT INDUSTRY-Choosing the correct career in IT sector on 29/10/2023 presented by Mr. Gunal Saravanan, Cadept Techys, Chennai . 59 students of Final year IT attended the webinar and gained the ideas.
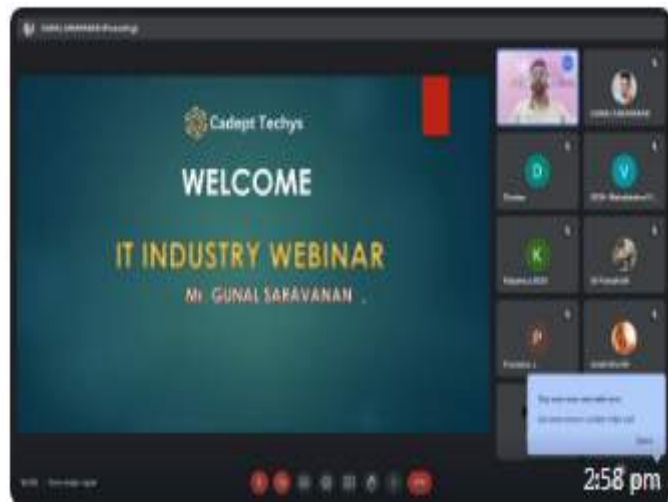

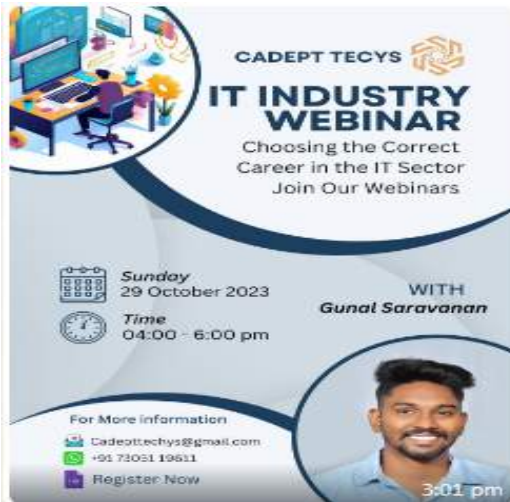

3.3.24 Industrial Visit- Tamil Nadu Science and Technology Centre

Department of Information Technology arranged the Industrial Visit for the 57 students of II year IT to Tamil Nadu Science and Technology centre, Chennai, on 31/10/2023. Students gained knowledge about Recent Technology and explored their Ideas.
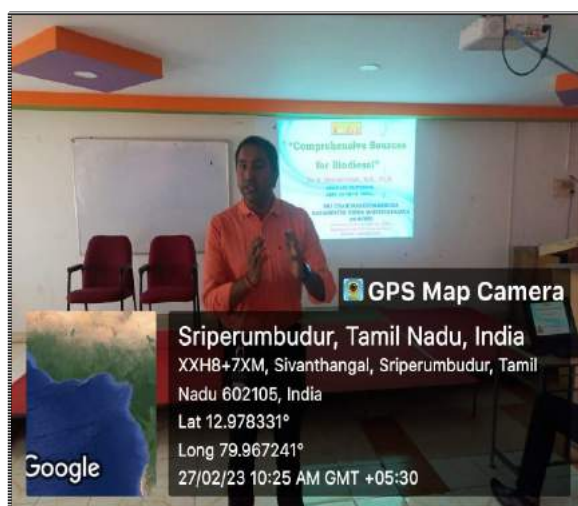

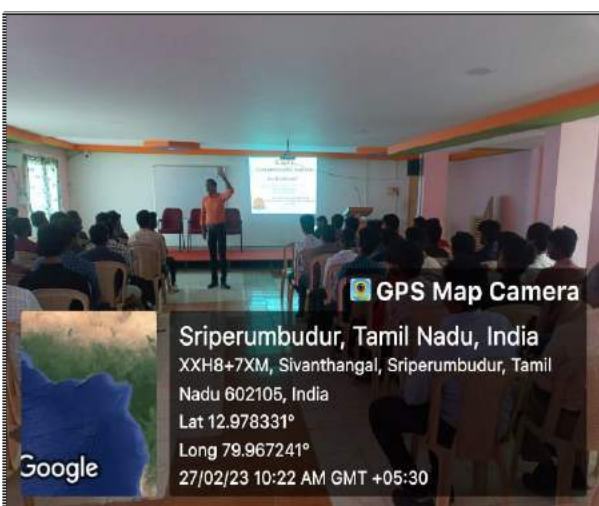

3.4. MECHANICAL ENGINEERING

3.4.1 Seminar-Thermal Engineering

Department of Mechanical Engineering organized a Seminar in the topic Thermal Engineering – "Comprehensive source for Bio-diesel" on 27.02.2023 and our Chief Guest is Dr. R.Balakumar, Assist.Prof, SCSVMV University, Kanchipuram. Thermal engineering is a critical area of study for mechanical engineers, as it provides the foundation for understanding the transfer of heat energy and its applications in energy systems, transportation, and materials science.

3.4.2 Guest Lecture- Recent Trends in Algae Based Green Energy

Department of Mechanical Engineering organized a Guest Lecture on the Topic of "Recent Trends in Algae based Green Energy" in Mechanical Block Seminar hall on 01-03-2023. The guest lecture was Convened by Dr.S.Santhanakrishnan, Associate Professor, Meenakshi Sundarrajan Engineering College, Chennai.The lecture was attended by II and III year students of Mechanical Engineering DepartmentThe aim of the guest lecture is to equip students with the latest trends and Opportunity in the field of Green Energy. The session was very interactive and students participated enthusiastically.
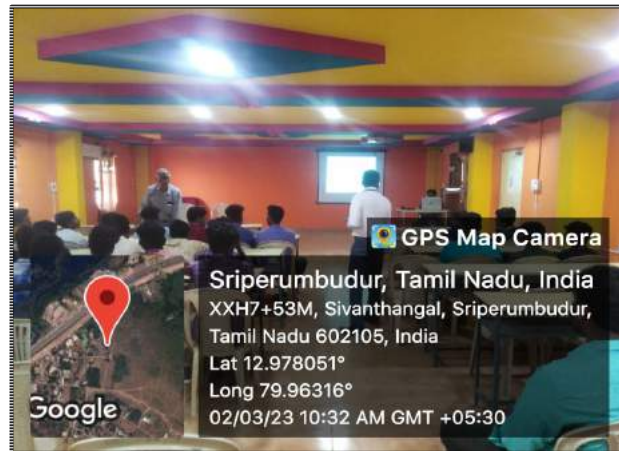

3.4.3 Industrial Visit- Pykara Micro Power House & Thermal Power Station, Mettur

Department of Mechanical Engineering arranged an Industrial Visit for the second year students to Pykara Micro Power House, Ooty on 06-03-2023. Mr.K.Suresh,AP/Mech and Anish, AP/Mech have accompanied the students. The power house produces 2 MW power and the height of the plant is 38 m. Industrial Visit for the third year students attended Industrial Visit to the Thermal Power Station, Mettur on 17-03-2023. Dr.B.Gnanasundarajayaraja, Professor and Head and Mr.G.sundaravadivel, AP/Mech accompanied the students. Students were shown and explained about the huge boilers, the safety, remedial and rescue measures, measurement of temperature, pressure and boiler shell strength, etc..

3.4.4 Department Assembly

Department assembly was conducted on 21-03-2023.Head of the departments and senior faculty members gave the motivational speech to the students and guided them for better character, concentrate well on studies and for good social attitudes and behaviours.

3.4.5 Technical Symposium

Technical Symposium was conducted in our college on 22 September, 2023.In this event, activities were carried out and certificates were distributed. The participants from various colleges participated in the events actively.

3.4.6 Guest Lecture -Recent Advancement on Green Energy Utilization

Department of Mechanical Engineering conducted a Guest Lecture on the topic "Recent Advancement on Green Energy Utilization- Hydrogen Fuel" on 13.10.2023. Dr. S.Kamatchi Sankaran, Professor, Meenakshi Sundararajan Engineering College, Chennai was the resource person for the program.

3.4.7 Industrial Visit- Atomic Power Station

Final Year Students of Mechanical Department visited Atomic Power Station at Kalpakkam on 20.10.2023.

3.4.8 Guest Lecture- Basic Principles, Applications & Research on Solid Mechanics

A Guest Lecture has been conducted on the topic" Basic Principles, Applications & Research on Solid Mechanics" on 19.10.2023. Dr. P.Venkateswara Rao, Professor, Sri Venkateswara College of Engineering was the Resource Person for the program.

3.5. SCIENCE AND HUMANITIES

3.5.1. Seminar -Python Intervals

Department of Science and Humanities has organized the workshop on "PYTHON INTERNALS" for first year AI&DS and CSE students which was held on 20.01.2023 & 21.01.2023(Friday & Saturday) from 10.00 am to 03.50 pm on seminar hall by Prof. Dr.V.Ramachandran CEO, DFT group of Engineering Colleges.
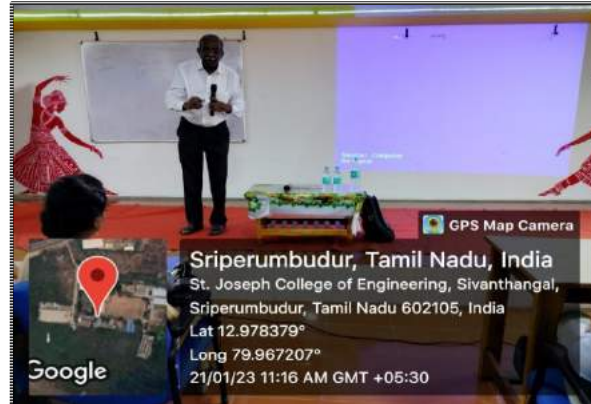

3.5.2. Communication Development Program

Department of Science and Humanities has organized seminar on " How to crack your first interview "for MECH & ECE students which was held on 21.01.2023(Saturday) from 2.00 am to 04.00 pm on seminar Resource person from association of intellectual managers Mr.Shamuga Sundram, Mr.Hemadri, Mr.Madhan Raj and Mr.Aravind give training to students.

3.5.3 Python Soft Skill Training Program

Department of Science & Humanities Conducted a soft skill training program on Python for first year Students from 16/5/2023 - 20/5/2023 by trainers from Campus Connection.

3.5.4 Industrial Revolution

Department of Science and Humanities has organized the seminar on "GET READY FOR THE 5th INDUSTRIAL REVOLUTION" for first year students which was held on 21.06.2023 (Tuesday)from 1.00 pm to 2.50 pm on seminar hall by Mr.Mayank Arora.It was very useful. Students have participated enthusiastically throughout the session.
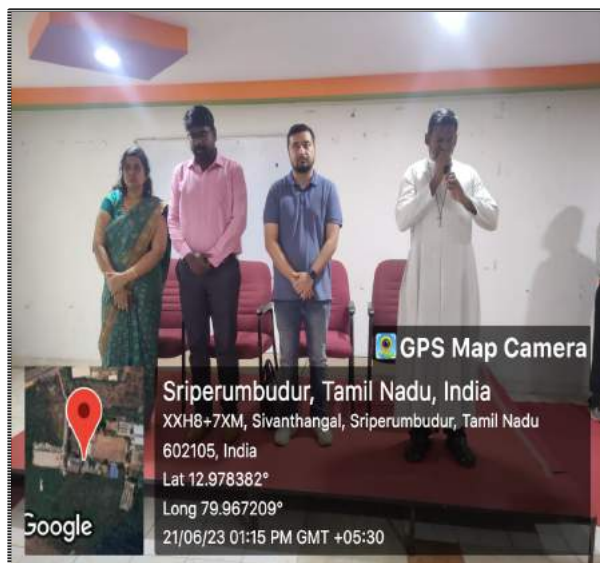

3.5.5 Yoga and Meditation

International Yoga Day is observed every year on June 21 to raise awareness about this ancient practice and to celebrate the physical and spiritual prowess that yoga has brought to the world. Yoga is a practice which plays an important role in relaxing the mind and body and boosting people's immune system. Yoga is one of the most effective ways of promoting physical and mental health.
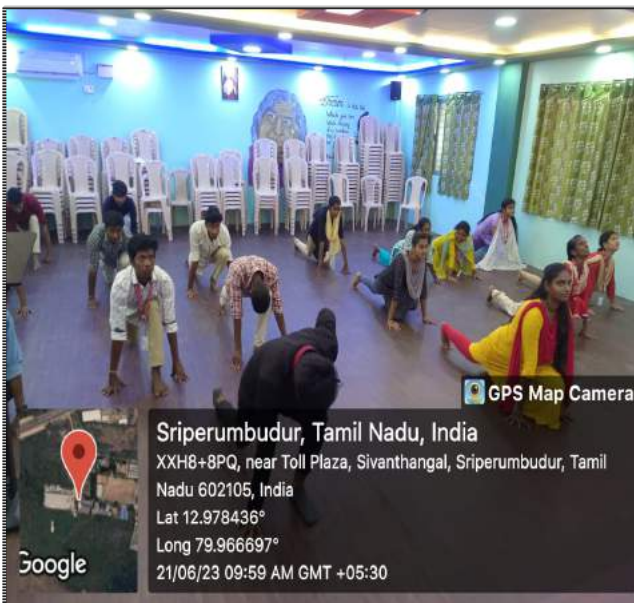

It has been shown to help reduce anxiety, stress and depression. Practicing Yoga is known to improve flexibility, balance, endurance and physical strength. Because of that our Department of Science and Humanities has organized "YOGA DAY" for first year students on 21.06.2023 (Tuesday)from 9.00 am to 10.00 am on seminar hall by Mr. Mohan physical Director. He encouraged students to practice regular yoga to remain fit and improve concentration. Warm up exercises were taken and all the students practiced & performed sitting and standing asanas, importance of these were explained simultaneously.

3.5.6 Soft Skill Training

Our college has conducted soft skill Training for first year students on August 24, 2023. Mrs.Rosy, Leo Club & Radical Image Consulting was the Resource Person for the Soft Skill Training.

3.5.7 Motivational Program

Our college has conducted Motivational Program for first year students on August 25, 2023. Motivational Talk was given by the Resource Person Mr. Joshuva Daniel.

3.5.8 Motivational Program

Our college has conducted Motivational Program for first year students on August 31, 2023. Motivational Talk was given by the Resource Person Rev Fr. Sagaraj MMI

3.5.9 Communication Skills Training Program

Department of Science and Humanities has organized a Communication skills training program between 06-10-2023 and 12-10-2023 for first year students. Soft skill trainer Joshua Daniel, CEO of Rabbi Institute of Skills Empowerment has conducted the training program.

DAY 1

DAY 2

DAY 3

DAY 4

DAY 5

DAY 6

3.6. MASTER OF BUSINESS AND ADMINISTRATION

3.6.1 Entrepreneurship Business Model

Entrepreneurship Development Cell of our College has conducted a Seminar on "Entrepreneurship business models on 24.3.23 (Friday) at 10.00 am to 12.00 noon in the Seminar Hall-1.The session was started with the prayer by our Mess and Hostel Incharge Rev.Fr.ArulRegan, bible reading and prayer song by MBA choir. Our Administrator Rev.Fr.L.Savariappan was headed and added more credit in the programme. The Chief Guest of the Programme is Mr. Francis Rebello Entrepreneur Families Restro Café & Meat and Eat,He handled the session with very inspirational and Qualities of Entrepreneurship motivational talk about Entrepreneurship. Also Our MBA Students were attended "MAPERUM TAMIL KANAVU" Programme in SVCE on 30.03.23.

3.6.2 Chennai Got Talent 2k23

Department of Management studies organised "CHENNAI GOT TALENT 2K23" on 18/04/2023 (Tuesday) 8.30am to 3.30pm .the chair of honour the occasion Of Mr.A.O.Annamalai vj-indiaglitz Actor -vijaytv, Dr.Srividhiyasekar PHD head –my dwell, Mr.surjithbalan director of SKYLARK group, and Mr.Raghulraja digital media export, flim maker. As delivered enthusiastic Message to students. There are 123 students were participate from various college. The events of the day are Business quiz, Best manger, Ad zap, Corporate walk, Face Painting, Treasure hunt, Art from waste, group dance, solo singing, adaptuneShortflim. At The Top- notch teams were honoured with awards of excellence.

3.6.3 Softskill Training Programme

Placement Cell of our College has organized a Soft Skill Training Programme from 05/06/23 to 09/06/23 for I year MBA Students in the Peter Drucker Seminar Hall.

The Programme was conducted by the trainers Mrs.Arthi Daniel and Mr.Ajay, Campus Connect, Chennai.

3.6.4 Department Assembly

Department of Management Studies conducted the first assembly of this academic year 2023-24 for the students on September 14, 2023, from 9:00 a.m. to 9:45 a.m. It started with Prayer song, followed by Bible Reading, Business News, Ethics for Life and General Knowledge session. All the students and faculty members attended the assembly meeting. It helps the students to develop their communication and co-curricular activities.

MEMORANDUM OF UNDERSTANDING (MoUs)

4.1.Skill Soft Technologies

Department of Mechanical Engineering signed a MoU with Skill Soft, it delivers transformative learning experiences that propel organizations and people to grow together. With Skillsoft, students will gain access to blended, multimodal learning experiences that do more than build skills, they grow a more capable, adaptive, and engaged workforce. Skillsoft drives continuous growth and performance for employees and their organizations by overcoming critical skill gaps and unlocking human potential.

4.2. TATA Community Initiative Trust

A memorandum of understanding (MOU) was signed on August 23, 2023 between St. Joseph College of Engineering and TATA Community Initiative Trust, Chennai.

4.3. Ms.Monolith Research and Training Labs Pvt Ltd

A memorandum of understanding (MOU) was signed on August 04, 2023 between the Department of Computer Science & Engineering and AI&DS with Ms.Monolith Research and Training Labs Pvt Ltd followed by an Orientation Program for AR/VR training was also conducted

4.4. Ms. eOrbitor Technology Pvt Ltd

A memorandum of understanding (MOU) was signed on August 18, 2023 between the Department of Computer Science & Engineering and Ms. eOrbitor Technology Pvt Ltd followed by an Orientation Program for IBM digital Lab training was also conducted.

4.5 Ms. Cadet Techs Pvt Ltd

A memorandum of understanding (MOU) was signed on August 19, 2023 between the Department of Computer Science & Engineering and Ms. Cadet Techs Pvt Ltd, Chennai followed by an Orientation Program for IBM digital Lab training was also conducted.

4.6 Aero Knotz Drones

A memorandum of understanding (MOU) was signed on August 24, 2023 between Department of Mechanical Engineering and CADEPT TECHYS Software Training Institute, Chennai. On the same day, a memorandum of understanding (MOU) was signed between Department of Mechanical Engineering and AERO KNOTZ DRONES India Pvt Ltd, Chennai.

4.7 Cadept Techys

A memorandum of understanding (MOU) was signed on August 24, 2023 between Department of Electronics & Communication Engineering and CADEPT TECHYS Software Training Institute, Chennai.

4.8 NITTTR

St. Joseph College of Engineering signed Memorandum of Understanding with NITTTR, Chennai on 20th September, 2023.

4.9 Global Talent Track

As a stepping stone towards success signing of MOU with Mr.Dinesh Kumar, Managing Director of Global Talent Track, Chennai took place on 22/09/2023. Taking one step at a time we St. Josephians are moving towards great heights. They will develop the students' career by activities in the field of web development. Training will be given to the students by bridge course to develop the students' skills.

4.10 Imarticus Learning Pvt Ltd

On September 8, 2023, the Department of Information Technology and Imarticus Learning Pvt Ltd., Chennai, signed a Memorandum of Understanding. They have conducted the orientation session seminar on Data science and its Industry application. It was presented by Mr.Thirumoorthy Maheshwaran., software Engineer. Third year 62 students and Final Year 59 Students has been attended the Session

4.11 Best Route Consulting

An MOU was signed with Best Route Consulting on Behalf of Department of Electronics & Communication Engineering on 05.10.2023.

4.12 Epical Layouts Private Limited

Department of Electronics & Communication Engineering signed MOU with epical layouts private limited on 05.09.2023

CELL AND CLUBS ACTIVITY

5.1 Drug Awareness Program

Department of Science and Humanities has conducted "Drug Awareness Program" for the first-year students which was held on 12.01.2023(Thursday) from 01.30 pm to 03.00 Pm on college ground by Mr.V.Manohar, Sub Inspector of police from Sriperumbudur Circle. He spoke about harmfulness of drug & things we can do to prevent drug abuse and addiction, including educating college students by creating healthy environments, and providing counselling for students who need help. We can also work to improve our communities by creating activities for student to be active and engaged. By making these kinds of positive changes, we can help reduce the risk of drug abuse and addiction in our society.

5.2 Career Development And Personality Grooming

Entrepreneurship Development Cell of our College has conducted a "Career Development and Personality Grooming Programme" in association with Gillette Guard on 15.02.23(Wednesday) at 10.00am to 12.30pm in Seminar Hall @ St. Joseph Block (Second Floor). Ms.S.Shanthi Chassis Manager, Proctor & Gamble was the special Guest and she handled the session with very inspiration and motivational talk about dimensions of career development and personality development for Engineering Studies. 230 Students were actively participated from all branches of Engineering and MBA.
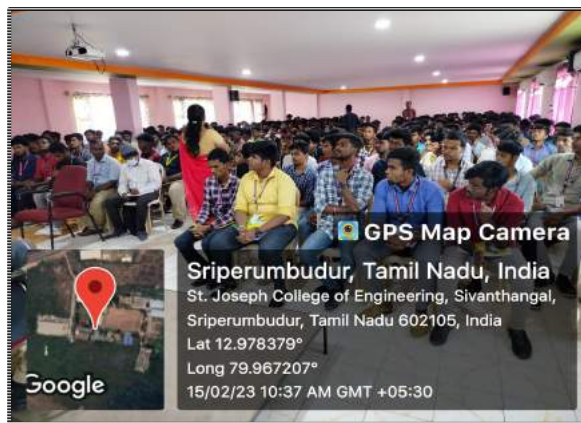

5.3 English Literary Club

Extracurricular activities are useful component for students to shape their future, as it helps to develop their talents, interests and passion. ST Joseph college of Engineering under the banner of English Literary Club provides a spectrum of opportunities that a student can grow. English Literary Club organized "Literary Fest for First year" on 27.02.2023 at Seminar Hall of MBA. The club conducted three events like Quiz, Elocution and Essay Writing competition. Anusha.M (I/IT), by her intellectual thought ,concept, presentation, and voice modulation who secured first place in elocution competition and Rahul.B (I/CSE) Secured second place. The topic was "make in India v/s make for India". "Envision of India @2047"was title of an essay writing competition. Enthusiastically, everyone who had participated and conveyed their creative ideas and also their future vision of India picturized with pen and paper.D.Sharmila (I/AI&DS) hold first place by her fascinating and thought-provoking essay, laced with genuine wit and elegantly written. Sanya Joshy (I/CSE) and Ajasha Alex(I/CSE) got second place.Based on current affairs ,conducted Quiz Competition. Department of Mechanical Engineering got First place and Department of AI&DS got second place.
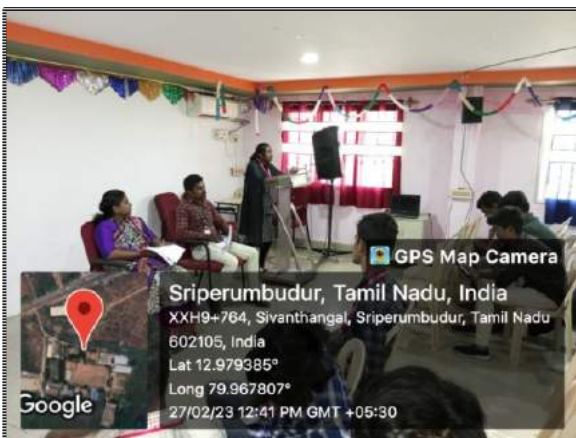

5.4 Annual Sports Meet

The annual sports meet is one of the most anticipated events of the year, where students, faculty, and staff come together for a day of friendly competition and athletic activities. This year's sports meet, held on 18.02.2023, was no exception, with participants from all departments and classes showing off their skills and sportsmanship. The event started with the traditional torch relay, where the flame was carried by members of the college track and field team around the field to light the ceremonial torch by our Chief Guest Mr.V.Valveemaraja, Dean, Sports SIMATS, SIMATS Deemed University, along with our Administrator Rev.Fr.L.Savariappan MMI, this was followed by the opening ceremony, where the principal gave a speech to encourage the participants and declare the start of the sports meet.The day's events included a variety of activities, including track and field events, team sports, and fun games. Students competed in events such as the 100m and 200m races, long jump, shot put, and high jump, while teams battled it out in football, basketball, volleyball, and cricket. For those looking for a more casual competition, there were also fun games such as tug-of-war, sack race, and three-legged race. One of the highlights of the day was the cheerleading competition, where each department put on their best show to cheer on their fellow classmates. The performances were filled with energy, enthusiasm, and creativity, showcasing the diverse talents of the college students.Throughout the day, the atmosphere was one of camaraderie and sportsmanship. Participants cheered each other on, high-fived after a good performance, and congratulated

each other on a job well done. Even those who didn't win a medal or trophy left with a sense of accomplishment and pride in their efforts. The event ended with a closing ceremony, where the principal gave a final speech to congratulate the participants and hand out awards to the winners. Trophies and medals were awarded to the top performers in each category, while certificates of participation were given to all who took part.In conclusion, the annual sports meet was a huge success, bringing together students, faculty, and staff for a day of fun, athleticism, and camaraderie. We look forward to next year's event, where we can once again showcase our talents and sportsmanship.

5.5 Hands-on Training on Python Programming

Skill Development Club has conducted "Hands-on Training on Python Programming" for all department students which were held on 17.03.2023(Friday) from 01.10 pm to 02.50 pm on Charles Babbage Lab through Online by Dr.M.Robinson Joel, M.Tech., Ph.D., Associate Professor of department of Information Technology in Kings

Engineering College. He explained the complete basic concepts of python programming and also he showed the live execution of python programs. He is more interactive with the students by giving real time examples. He also explained about the introduction of machine learning and deep learning. By this program, the students learned the basics of python and also learned how to improve the programming skills.
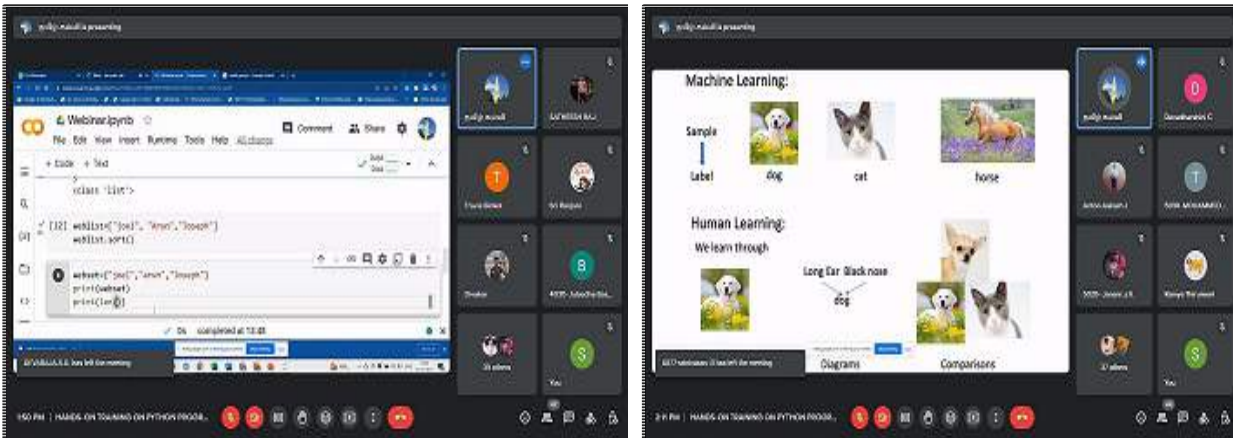

5.6 Emotional Intelligence In Communication

The Webinar on "emotional intelligence in communication" was conducted successfully on 04.03.23 from 10:00 am to 11.00am for students through Google meet. The meeting was started with prayer song and bible reading .Welcome address was given by Sherline Sweety S (Cse/I). She welcomed our Resource Person Mrs.S.Sandhiya (AP/PRIST Deemed to be University), Thanjavoor. The webinar's main goal is to familiarise importance of emotional communication to the students.
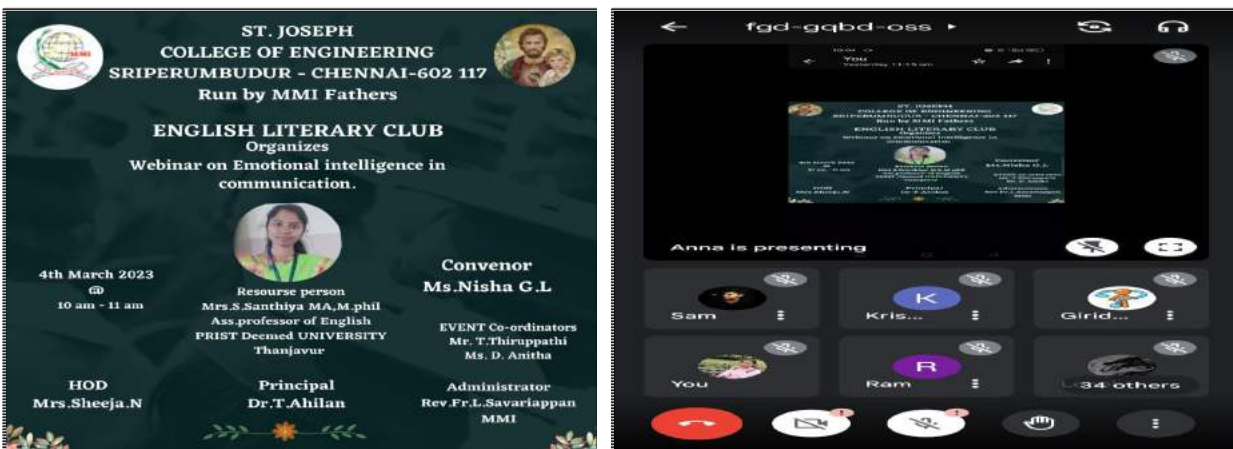

5.7 Poster Creation

On March 18th, 2023 at 11:30 A.M., the Film Maker's Club held an event, which included a poster creation session. The club members came together to explore the art of creating College promotion posters, which is an essential aspect of film marketing .The event started with an introduction to the club and the purpose of the poster creation session. The club members enthusiastically participated in the poster creation activity, showcasing their creativity and design skills. The event provided a platform for members to collaborate and learn from each other's techniques and approaches to poster design.

5.8 Painting Competition

ART & PHOTOGRPHY club organized the **"Painting Competition"** on 18/03/2023(Saturday) for all the students from 10.30 am to 12.30 pm on ECE seminar hall. The aim of this competition was to trigger the thoughtprocess of the student's artistic skills and also to sensitize them towards the theme. The students were asked to choose anyone of the following themes Impact of Technology on Society/ Nostalgia (capturing beautiful moments of the life)/ Today's World 2023. The judge of the event is Dr. R. Preetha, Assistant Professor, Department of Electronic Media, M.O.P Vaishnav College for Women and the decision regarding the winners was made on the basis of the following criteria: Interpretation/Clarity of the theme, Creativity/Originality, Quality of artistic composition, Overall artistic appeal. The winners will be awarded with the prizes and all the participants

will be receiving E-certificates from the Art & Photography Club. This competition was organized to explore and encourage creativity in students and offer them a platform to showcase their skills.

5.9 Staff Orientation Program

Staff Orientation Program on "Rejuvenating Your Inner Genius" was organized on July 15, 2023. The Chief Guest of the program Rev.Fr.Daniel Dayabaran OFM Cap under by Rev.Fr. L. Savariappan, MMI (Administrator), Rev.Fr. Rex John Britto, MMI (Account & Transport In charge), Dr.T.Ahilan (Principal), Rev.Sr. Sudha and Rev. Sr.Soosai Mary supported the Staff Orientation Program on "Rejuvenating Your Inner Genius" and motivated the staffs to take care of their health. Staff Orientation Program on

"Rejuvenating Your Inner Genius" was conducted in Sir C.V.Raman hall at St. Joseph's Block, Ground floor.

5.10 Employee Engagement Program

"Employee Engagement Program" was organized on July 20, 2023. The Chief Guest of the program Rev.Fr. L. Savariappan, MMI (Administrator), under by Rev.Fr. Rex John Britto, MMI (Account & Transport In charge), Dr.T.Ahilan (Principal), Rev.Sr. Sudha and Rev. Sr.Soosai Mary supported the "Employee Engagement Program" Through this activity, all faculty members got an opportunity to share their ideas about how to handle the students.

5.11 Leo Club - New Team Induction For The Lionstic Year 2023-2024

Leo club provides opportunity to the young generation to develop and contribute – individually and collectively – as responsible members of their local, national and international communities. Orientation Program was done by PMJF Lion Krishna Reddy, District Chairman Leo Club Orientation who spoke about Orientation Program of LEO Club. Installation of New Office Bearer was done by PMJF Lion M. Rajesh Joshi Installation of newly appointed team members. Felicitation1 was done by Lion Krishnan, Zone Chairman who spoke about the Leo Club Activities and Felicitation2 was done by Lion Kamala Kannan, Leo Advisor who delivered the guidance about the Leo Club. Honoured Mrs.K.Vetriselvi, Parents Club by our beloved Administrator Rev.Fr.L. Savariappan- MMI.Honoured Ms. Anisha Parent Club Secretary by our beloved Principal Dr.T. Ahilan. M.E, Ph.D., Honoured Mr. Kamala Kannan, Leo Club Advisor by our Leo

Club Convenor Mr. M.L. Srinivasan, M.E., Pleasantries was given by our beloved Principal Dr.T. Ahilan. M.E, Ph.D.,

For the New Team Induction for the Lionstic Year 2023-2024 few students were selected to serve on the council.

5.12 World Photography Day Celebration

World Photography Day was celebrated by our students on Aug 19, 2023. Our Chief Guest Ms. Akshaya Dharshini , Freelance Photographer, Chennai was honoured by our beloved Administrator Rev.Fr.L. Savariappan. In this program, On- the- spot Photography Contest was conducted for the students.

5.13 Road Safety Awareness Program

"Road Safety Awareness Program" was conducted on August 03, 2023 at Kanchipuram Collector Office. Our NSS students actively participated in the program.
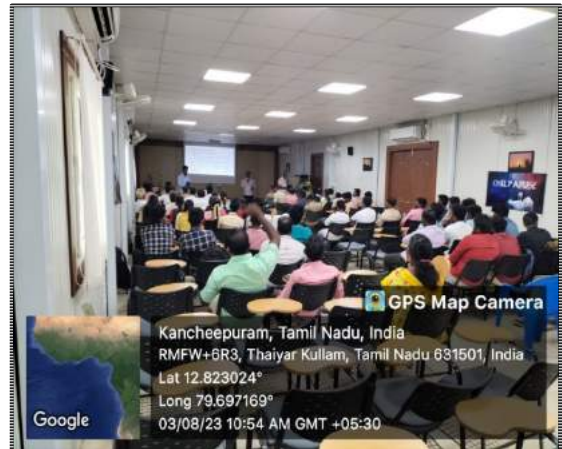

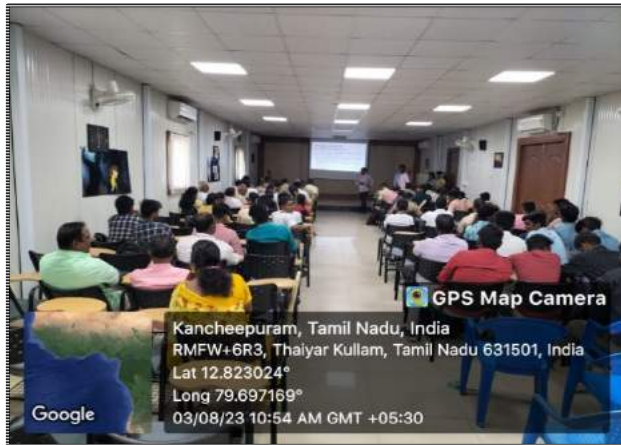

5.14 Health Awareness Program

NSS & YRC jointly organised a for Women on Health Awareness Program August 19, 2023 to bring awareness about the health among our students.

5.15 Awareness of Code Club
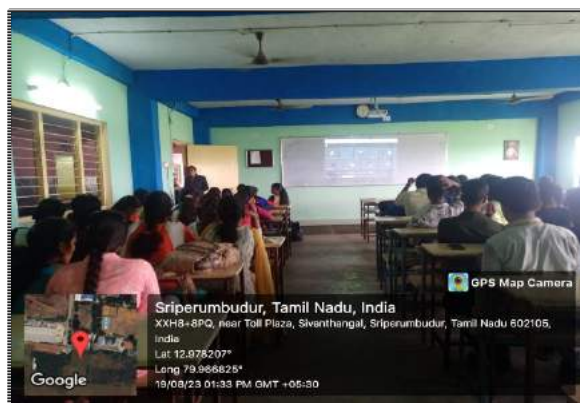

A Webinar on "Awareness of Code Club" was conducted through online mode on August 19, 2023. Mrs. S. Dhivya . Assistant Professor of Sri Venkateshwara College of Engineering was the resource person for the webinar. Students actively attended the program.

5.17 NAAC Orientation Program

NAAC Orientation Program by AASSAAN Educare Foundation was organised by IQAC Cell on August 07, 2023 . Mr. Mahadevan Ramachandran, Principal and Chairman of AASSAAN was honoured by our beloved Administrator Rev.Fr.L. Savariappan- MMI. Resource Person Introduction was done by Dr. S. Sunithamani, IQAC Co-ordinator who spoke about resource person of Mr. Mahadevan Ramachandran Principal Advisor and Chairman of AASSAAN Educare Foundation.

Orientation Program was done by Mr. Mahadevan Ramachandran ,Principal Advisor and Chairman of AASSAAN Educare Foundation who spoke detailed about the Criteria description of the NAAC and also Questionaries Session has been conducted.

5.18 Cancer Awareness Program

Cancer Awareness Program for Students was conducted on 2nd September, 2023. Special Prayer was done by Administrator Rev.Fr.L. Savariappan- MMI. The Resource Person Ms.B. Archana MBBS, MD, (Ph.d) Asst Professor, Department of Pathology, Sri Ramachandra Institute of Higher Education & Research discussed the various types of cancer & how to prevent the Cancer and gave remedies to wipe away this harmful disease.

5.19 Orientation on Gate and other Government Job opportunities for Engineering Students

"Youth India Club" organized a program on the topic, "Orientation on Gate and other Government Job opportunities for Engineering Students" on 07.09.2023 between 1:30 p.m to 2:30 p.m at Sir C.V. Raman Hall through Google meet platform. Mr. M. Durgaram, M.E. (Ph.d), Assistant Professor, JJ College of Engineering and Technology, Trichy was the Resource Person for the program. The final year students from various departments attended the program.

5.20 Code Ninja – Quiz program

"Code Club" organized a program on the topic, "Code Ninja – Quiz program" on 16.09.2023 at CSE lab. More than 30 students participated in the program. This event was conducted by Mr. E.Raghuvaran /AP, CSE.
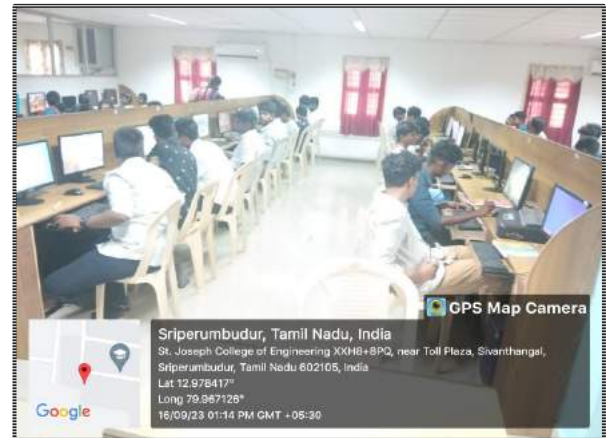

5.21 World Ozone Day

"Eco- Swatch Club" conducted a poster making competition on the occasion of "World Ozone Day" on 16.09.2023 at James Watt Hall. More than 25 students participated in the program. This event was conducted by Mrs. K.V.Kavitha /AP, Civil.

5.22 Faculty Development and Training Support

In the current academic year, a total of 83 staff members, including both teaching and non-teaching staff, participated in Faculty Development Programs (FDP) and various training initiatives. Financial assistance was extended to faculty members enabling their attendance at conferences, workshops, and other relevant events. Specifically, 63 faculty

members benefitted from financial support amounting to Rs. 1,39,850/- for their participation in diverse programs. This investment underscores the institution's commitment to enhancing the professional development and expertise of its staff, fostering a culture of continuous learning and growth within the academic community.

5.23 Entrepreneurship Development Cell Awareness Program

Entrepreneurship Development Cell organised an awareness program for I year students on 16th September, 2023. Mr. S.Sathish, Founder & CEO, WEOF E-Com India Pvt Ltd, Salem was the resource person.

5.24 Entrepreneurship and Innovation as Career Opportunity

The Institution Innovation Council of SJCE Conducted a Webinar on "Entrepreneurship and Innovation as Career Opportunity "on 16.09.23 from 01:30 p.m. – 03: 00 p.m. for the IV Year EEE & IV Year CSE Students. She welcomed our speaker

Dr.M.Sangeetha Innovation Ambassador, M.A.M Institute of Technology, Trichy.The main focus of the webinar is to familiarize students with Entrepreneurship and its development.
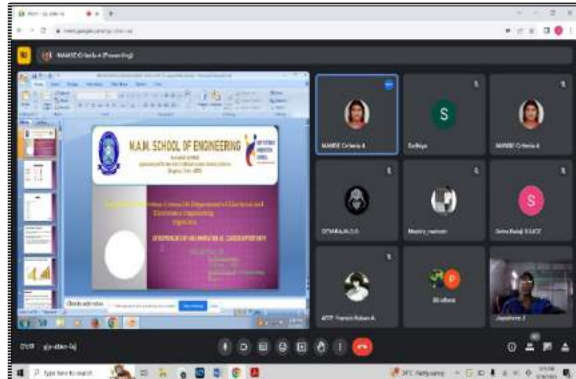

5.25 Robotics Awareness Program

Robotics Awareness Program for Students was conducted on 7th October, 2023 through online mode at James Watt Hall @ 11:00 a.m. Special Prayer was done by Administrator Rev.Fr.L. Savariappan- MMI. The Resource Person Mr.L.Ganesh Babu M.E, M.B.A(Ph.D) Asst Professor, Department of Robotics & Automation, Rajalakshmi Engineering College

5.26 Introduction of Robotics & Recent trends in Robotics Technology

Robotics Awareness Program for Students was conducted on 14th October, 2023 through online mode at James Watt Hall @ 11:00 a.m. The Resource Person Dr. A.Senthil Kumar M.E, Ph.D Associate Professor, Kings Engineering College delivered a valuable lecture on "Introduction of Robotics & Recent trends in Robotics Technology"
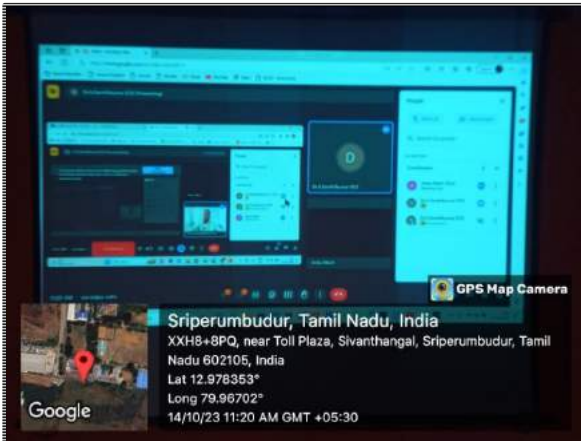

5.27 Spiritual Club

Spiritual Club organized First Friday Holy Mass on 06.10.2023 at 9:00 a.m. in Sir C.V. Raman Hall. Main Celebrant was Rev.Fr. Merlin (Parish Priest, Molachur). All Christian Students and Staff attended the holy mass and had a spiritually enriching experience.
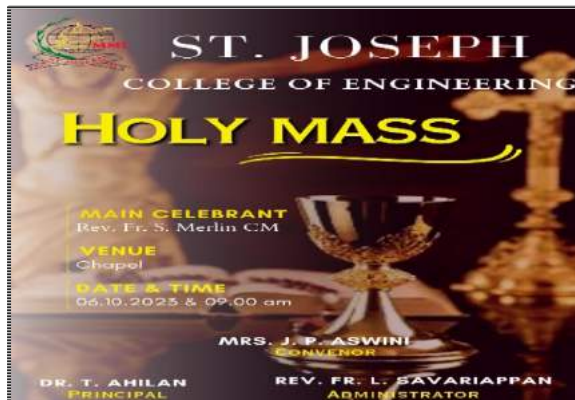

5.28 Digital Marketing Awareness Program

CELEBRATION

7.1 Pongal Day Celebration

Pongal Celebrations was organized on 13.01.2023, with our guest of Honour Rev.Fr.Arockiadass MMI (Assistant parish priest, Maduravoyal), Administrator Rev.Fr.L.Savariappan & Dr.T.Ahilan Principal, inaugurating the events in a traditional manner. Students & Staffs wore traditional costumes and the events began with the boiling of rice in the most traditional manner. Interacting with students on the occasion, Rev.Fr.Savariappan appealed to the youth to spread the greatness of the Tamil people far and wide.

7.2 Republic Day Celebration

Republic Day was organized on 26.01.2023, in our college campus with active participants of both boys & girls from hostel along with few staffs & supporting staffs of SJCE with our Administrator Rev.Fr.L.Savariappan & National flag was hoisted by Rev.Fr.Sebastin MMI (Maduramanglom) inaugurating the events in a Patriotic manner. Republic Day marks the adoption of India's constitution and the country's transition to a republic on January 26, 1950. Every year, the celebrations makes a memory of Constitution is coined for each and every individuals of our nation.

7.3 College Day: A Celebration of Achievements and Aspirations

College Day is an annual event that celebrates the achievements of our students and faculty, as well as their aspirations for the future. This year's College Day, held on 24.02.2023, was a wonderful opportunity to reflect on the past and look forward to the future.The event began with the lighting of the lamp by the chief guest Ms.Kirthanya Krishnamurthy, Motivational Speaker, Mind Fresh, Chennai, then by our Administrator Rev.Fr.L.Savariappan MMI, our Principal Dr.T.Ahilan, followed by an invocation song by the college choir. The principal then gave a welcome address, thanking everyone for attending and emphasizing the importance of College Day in recognizing and celebrating the hard work and dedication of our students and faculty.In addition, College Day also included an awards ceremony, where outstanding students and faculty members were recognized and rewarded for their achievements. Awards were given for academic excellence. The recipients of the awards expressed their gratitude and motivation to

continue striving for excellence. In conclusion, College Day is a celebration of the achievements and aspirations of our students and faculty, and a reminder of the importance of hard work, dedication, and perseverance. It is an opportunity to reflect on the past, celebrate the present, and look forward to the future. We look forward to next year's event, where we can once again come together to celebrate our community and its achievements.

7.4 College Cultural Day

On the auspicious occasion of the college cultural day on 04.03.2023 Saturday, we had the honor of having Mr. Ramar, the title winner of Kalakapovathu yaru fame on Vijay TV as our chief guest. The day was graced with the presence of our Administrator, Rev. Fr. L. Savariappan, and our Principal, Dr. T. Ahilan, who warmly welcomed Mr. Ramar to our college. The day started with a prayer and the lighting of the traditional lamp by our chief guest, Mr. Ramar, followed by our Administrator and Principal. After the inaugural ceremony, various cultural programs were organized by the students. The programs included traditional dances, skits, and music performances, showcasing the diverse cultural heritage of our country.Mr. Ramar, in his speech, congratulated the students for their excellent performances and appreciated the efforts put in by the faculty members and students. He emphasized the importance of culture and how it plays a vital role in shaping our identity and values. Our Administrator, Rev.Fr L.Savariappan MMI, spoke about the importance of education and how it can help in nurturing and preserving our culture. He also appreciated the efforts put in by the organizing committee for organizing such a

successful event. Dr. T. Ahilan, our Principal, thanked the chief guest for gracing the occasion and motivating the students. He also praised the students for their hard work and encouraged them to continue to excel in their academic and cultural pursuits.

7.5 5th International Conference

The 5th International Conference on Emerging Trends in Engineering & Technology was held on April 19-20, 2023. The conference was organized with the aim of bringing together researchers, academicians, and industry professionals from all over the world to discuss and exchange their views on the latest developments in the field of Engineering & Technology. The conference was held at a prestigious venue and attracted a large number of participants. The theme of the conference was "Emerging Trends in Engineering & Technology," and it covered a wide range of topics such as Artificial Intelligence, Machine Learning, Robotics, Renewable Energy, Nanotechnology, and many more. Overall, the 5th International Conference on Emerging Trends in Engineering & Technology was a huge success, providing a platform for researchers, academicians, and industry professionals to exchange their ideas and learn from each other. The conference helped to promote collaboration and innovation in the field of Engineering & Technology, paving the way for future breakthroughs and advancements.

7.6 Independence Day Celebration

The 77th Independence Day was celebrated with great enthusiasm by the students of SJCE on August 15, 2023 in the college premises. The students cleaned the surroundings and decorated them with colourful balloons and ribbons. Pictures of our great leaders and freedom fighters were placed on the notice board. Mrs. Nivetha, Sub Inspector of Police, Sriperumbudur, was the chief guest. She hoisted the flag and the national anthem was played.

7.7 Mr. Rajiv Gandhi Sadbhavana Diwas

The birth anniversary of Rajiv Gandhi, is celebrated as Sadbhavana Diwas (Harmony Day). A pledge taking ceremony was conducted on 18th August 2023 at 11:00 am. Mr. Bathrinarayanan HoD/Civil, oriented the students and staffs regarding the importance of observing Sadbhavana Diwas by highlighting, it is to avoid violence and to promote good will among people. Thereafter, the pledge was led by him to students and faculty.
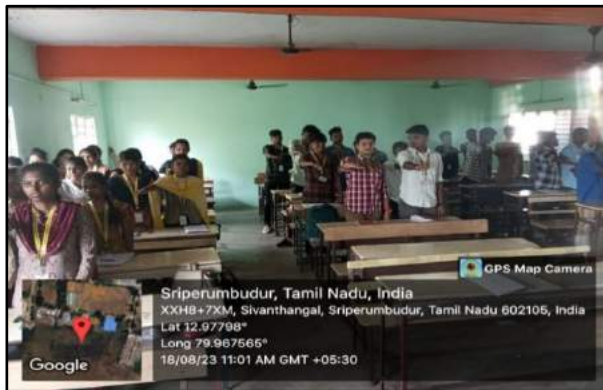

7.8 Freshers Day Celebration

Light is considered as very sacred and a symbol of prosperity, in the same way as sunlight not only dispels the darkness of night, it brings blessings and happiness into our lives. The inauguration of event started by kindling the lamp along with the blessings of Rev.Fr. Dr. J.E. Arul Raj, Founder & Chairman DMI & MMI Group of Institutions, by our beloved Administrator Rev.Fr.L.Savariappan, our Superior General Rev.Fr. Y. Joseph William, MMI and Our principal Dr. T.Ahilan.The Chief Guest for the Program was Mr. Abhshek Banerjee, Project Manager, Tata Community- Tata Strive and the Guest of Honour was Rev.Fr. R. Antony Jerald, MMI, Correspondent & Provincial, St.Francis Xavier Province.

7.9 Teachers Day Celebration

On September 5, 2023, we celebrated Teachers Day. Our Director, Dr.M.A.Leo Vijilious, served as the event's chief guest. Celebrations of Teachers Day are significant because they honour the vital role that teachers play in society, motivate both educators and learners, and foster a culture of learning and respect for education. These events serve as a reminder of the value of education in influencing the future and the necessity of valuing those who promote it. By honouring them, the administration showed all of the teachers

how much they were appreciated. With a wonderful high tea, the celebration came to an end.

7.10 Engineer's Day Celebration

On September 15, 2023, we celebrated Engineer's Day. Students from various departments actively participated in the program. On the occasion of Engineer's Day, the work of professionals engaged in various engineering disciplines of the country and their contribution in nation building is appreciated.

7.11 National Level Technical Symposium

St. Joseph College of Engineering conducted a National level technical symposium TECHNOPHILIA – 23 on 22nd September at 9:00 a.m. in Muthaiah Auditorium with the blessings of Rev.Fr. Dr. J.E.Arul Raj, Founder & Chairman DMI & MMI Group of Institutions. Mr. Masthan Ali, Technical Director, M3 Teknix Engineering Consulting Pvt Ltd was the Chief Guest of the function. Our beloved administrator Rev.Fr.L.Savariappan, MMI, Our Principal Dr.T.Ahilan, Our beloved Correspondent Rev.Fr. R.Antony Jerald, MMI and Rev.Fr. Joseph William, MMI, Our Transport & Finance Controller Rev.Fr.r. John Britto, Boys Hostel & Mess In charge Rev.Fr. P.Arul Regan and Our Beloved Hostel In charge sisters Rev.Sr. Jesintha Mary & Rev.Sr.Leema Rose were the dignitaries of the day.

7.12 Pooja Celebration

Saraswati and Ayudha Pooja was celebrated on 20th October 2023 at our college premises. On the auspicious day of 'Saraswati Pooja & Ayudha Pooja', the students and faculty of St Joseph College of Engineering came together to seek the blessings of the goddess of knowledge, music, art and culture. The event was celebrated with a lot of devotion and dedication by worshiping Goddess, who is the fountain head of all learning and art forms. Students worshipped goddess to seek wisdom, artistic and technical skills, academic excellence and a good heart. The ritual was graced with the presence of all the students, staff and faculty. Our Administrator Rev.Fr.L. Savariappan, Our beloved Principal Dr.T.Ahilan, Our Transport In charge Rev. Fr. John Rex Britto and beloved sisters Rev.Sr. Jesintha Mary & Rev.Sr.Leema Rose enlightened on the concept and significance of Saraswati pooja.

Both the faculty and students joined hands together, with great zeal to make the event a memorable one, also evoking the blessing of the goddess of knowledge to have a successful academic and carrier growth by performing 'Saraswati Vandana'. The event was ended by serving Prasad to everyone present.

7.13 St.Cecilia Girls Hostel

The Senior Students Hosted A Welcoming Speech And Entertainment Event For The New Dormitory Residents On Saturday, October 7, In Muthaiah Auditorium.

7.14 Renovation Work

Masonry repairs have been completed in accordance with standards, and regular electrical maintenance has been performed in the rooms and verandas.

7.15 Spiritual Activities

October is a month devoted to the Holy Rosary of the Blessed Virgin Mary, hence on Wednesdays and Saturdays the devotion to Mother Mary was observed. On October 29, an automobile parade was held inside the institutional grounds while hymns and prayers were being performed.

Holy masses have been held on Wednesday evenings and Sunday mornings, along with regular Coir practices in both Tamil and English on alternate days.

"Believe in yourself. You are braver than you think, more talented than you know, and capable of more than you imagine."

— Roy T. Bennett
