1.Introduction

St. Joseph College of Engineering (SJCE), located in Sriperumbudur, Tamil Nadu, has been a prominent educational institution since its establishment in 2001. The college is dedicated to fostering a community of learners with a shared commitment to excellence in the fields of Engineering and Management.

At SJCE, the focus is on providing a well-rounded education that blends theoretical knowledge with practical application. The institution follows a multidisciplinary approach that encourages students to not only delve deep into their core disciplines but also explore related fields, fostering holistic development. This comprehensive academic framework equips students with a strong foundation in science, technology, and their real-world applications, enabling them to address the challenges posed by a rapidly evolving global landscape.

In addition to its academic rigor, St. Joseph College of Engineering places a significant emphasis on education, discipline, and ethical values. The college has established itself as a key player in the creation of skilled professionals who are well-prepared to meet the demands of the industry, while also being socially responsible individuals contributing positively to society. Through its innovative teaching methods and state-of-the-art facilities, SJCE continues to shape the future of its students and uphold its commitment to excellence in higher education.

2 Admission 2024 and Total Strength

2.1. Admission 2024

S.No.	Department (UG &PG)	Intake	Admitted
1	B.E. Computer Science and Engineering	120	126
2	B.E. Electronics and Communication Engineering	60	63
3	B.E. Mechanical Engineering	60	59
4	B.Tech. Information Technology	60	63
5	B.Tech. Artificial Intelligence and Data Science	60	63
6	M.E. Computer Science and Engineering	12	12
7	Master of Business Administration (MBA)	60	42
Total		432	428

2.2. Total Strength

S.No.	Department	I	II	III	IV	TOTAL
1	B.E. Computer Science and Engineering	124	111	57	64	356
2	B.E. Electronics and Communication Engineering	61	52	52	84	249
3	B.E. Mechanical Engineering	57	55	30	43	185
4	B.Tech. Information Technology	60	60	53	62	235
5	B.Tech. Artificial Intelligence and Data Science	63	54	54		171
6	M.E. Computer Science and Engineering	11	2			13
7	Master of Business Administration (MBA)	40	40			80
Total		416	374	246	253	1289

3.New Course / Intake Increased

S.No.	Department	Existing Intake (24-25)	Intake Increased	Proposed Intake (25-26)
1	B.E. Computer Science and Engineering (Cyber Security)	0	60	60
2	B.E. Computer Science and Engineering	120	60	180
3	B.E. Electronics and Communication Engineering	60	30	90
4	B.Tech. Information Technology	60	30	90
5	B.Tech. Artificial Intelligence and Data Science	60	0	60
6	B.E. Mechanical Engineering	60	0	60
7	M.E. Computer Science and Engineering	12	0	12
8	Master of Business Administration (MBA)	60	0	60
Total		432	180	612

4. Admission Initiatives / Promotion Programme

- ✚ Visiting students' houses directly.
- ✚ Collecting student databases from various schools in Chennai, Kanchipuram, Tiruvallur, Tiruvannamalai, and Villupuram.
- ✚ Advertising the college name through social media platforms like YouTube and Instagram.
- ✚ Planning to advertise on Facebook to collect databases.
- ✚ Telecalling by staff starting from April 2025.
- ✚ Planning to send bulk SMS to various district student databases by April 2025.
- ✚ Visiting churches, tuition centers, and computer centers.
- ✚ Planning newspaper advertisements by May 2025.
- ✚ Arranging for spot admissions in Nagercoil, Tiruvannamalai, and Mayiladuthurai.
- ✚ Meeting village presidents, counsellors, and other key community members.
- ✚ Separate meetings for teaching and non-teaching staff, conducted in the presence of the principal.
- ✚ Planning to make spot admission arrangements at the Nungambakkam Trade Centre in April/May 2025.
- ✚ Collecting databases from schools by conducting online competitive examinations.

5.Faculty Strength (Teaching / Non-Teaching)

5.1 Teaching-73

S.No.	Name of the Staff	Qualification	Dept	Designation
1	Dr. M. Navaneetha Krishnan	M.E, Ph.D.	CSE	Professor & Head

9. Various Celebrations

S.No.	Date	Celebration	Description
1	12-01-2024	Pongal Celebration	Pongal Festival was celebrated with traditional values, including prayer, cultural performances, games, and the preparation of Pongal by students and staff. Sweet Pongal and sugarcanes were distributed. Best 'Pongal' & 'Rangoli' were awarded by Rev. Fr. L. Savariappan. A modern DJ was included to balance tradition.
2	26-01-2024	Republic Day Celebration	The 75th Republic Day was celebrated with handmade posters, balloons, and wall hangings. The national flag was hoisted, followed by the national anthem, and the campus was decorated with tricolors, symbolizing unity and patriotism.
3	27-03-2024	Easter Day Celebration	The celebration was attended by Rev. Fr. L. Savariappan, Principal Dr. T. Ahilan, HOD's, and faculty members, marking the religious observance of Easter Day at the college.
4	15-08-2024	Independence Day Celebration	The 78th Independence Day was celebrated with flag hoisting by Dr. Kannadhasan, HOD/MBA, followed by the national anthem. The campus was adorned with tricolors, and the atmosphere was filled with patriotism and unity.
5	05-09-2024	Teachers Day Celebration	The event included fun activities, tributes to teachers, and a speech by Principal Dr. T. Ahilan, highlighting the importance of teachers. The ceremony commenced with a prayer by Rev. Fr. L. Savariappan and continued with heartfelt appreciation for the faculty.
6	12-09-2024	Festival of Annai Velankanni Celebration	The festival was celebrated with a Holy Mass led by Rev. Fr. Suvukin, followed by a car procession.
7	09-10-2024	Pooja Celebration	A special Pooja ceremony was held on campus with spiritual advisors leading prayers and traditional rituals. The ceremony fostered a sense of unity and spiritual well-being among students, faculty, and staff, and prasadam (blessed food) was distributed at the end of the ceremony.

The key points that can be discussed in a Parent-Teacher meeting

- ✚ Discussed the need for acquiring additional skills to meet industry demands.
- ✚ Students must maintain separate class notes for each subject as instructed by teachers.
- ✚ HOD requested that parents clear the pending fees as soon as possible.
- ✚ Full attendance in class is mandatory as per lecturers' instructions.
- ✚ Parents were informed about the importance of internal assessments.
- ✚ Parents were encouraged to motivate their children to participate in extracurricular and academic activities.
- ✚ Discussed various activities such as seminars, workshops, and technical presentations.
- ✚ Students are advised to clear their tuition fees.
- ✚ Attendance minimum requirement: 75%.
- ✚ Parents should meet the HOD or class teacher for feedback and concerns.

18. Parents Testimonial

1. Mrs. G. Harit Arul Selvi (Parents of T. kingsly III CSE)

As a parent, I had many dreams and hopes when I opted for Mr. Kingsly; my son and college gave us more than we had expected. It was not only part of getting his success but also taught him how to overcome failures in the journey, and the staff were constantly motivating him, which made him get jobs in a row.

2. Mr. K. Mathidevan (Parents of M. Sugan II CSE)

I want to express my gratitude towards St. Joseph College of Engineering for the support it has given to my son, Mr. M. Sugan (CSE 3rd year). The teachers have made a huge impact on his life by providing immense opportunities and developing his confidence. I am truly grateful for the outlook and exposure that the college gave him through various learning methods

3. Mrs. Amul. J (Parents of Ezhumalai IV CSE)

I am happy to say that my Son had studied in Department of Computer Science and Engineering, St. Joseph College of Engineering. Because of disciplined environment in Hostel and College my son studied well and got placed in very good companies. I was so delighted to share my happiness by thanking the management and faculty members who made my daughters dreams as true

4. Mr.G. Ravindran

Compare to other college's fees structure is very less. Best college and is worth for middle class students to afford engineering

5. Ms. Vaidehi

The college provides with excellent quality of teaching and a friendly environment so that it helps the students to gain knowledge in academics and skills that helps with placement

19. Staff Testimonial

1. Mr.R. Dinesh Kumar, HOD/ECE

As the Head of the Electronics and Communication Engineering Department, I am proud to be a part of a vibrant academic community that fosters innovation and excellence. Our department offers students a comprehensive education that blends theoretical knowledge with practical application, preparing them for the rapidly evolving field of electronics and communication technologies through the Centre of Excellence. We emphasize not only academic rigor but also encourage the development of soft skills, teamwork, and leadership. Through a blend of state-of-the-art laboratories, research opportunities, and industry collaborations, our students are equipped to meet the demands of the global job market. I am confident that students who join our department will have the resources, mentorship, and opportunities to achieve their fullest potential.

2. Dr. P. Chinniah, Professor/ECE

As a Professor in the Department of Electronics and Communication Engineering, I believe good teaching is the derivative of great learning. I always focus on transformation of theoretical learning into skill traits through practical experiments and experiences. I encourage my students to excel in practical learning and make innovation a way of creativity and productivity. My effort is always to maintain that the Department of Electronics and Communication Engineering provides a viable learning atmosphere through innovative and collaborative project works. We will continue to train our students in development of working modules through the innovative center of the department of ECE for making our students compatible for core sector placements, entrepreneurs and efficient and effective leaders.

3.Mr. Santhosh AP/ECE

I am grateful to be part of St. Joseph College of Engineering, serving as an Assistant Professor in the Department of Electronics and Communication Engineering. The supportive environment here has helped me grow both professionally and personally. I am passionate about inspiring students, bridging theoretical knowledge with practical skills, and fostering innovation through hands-on projects. I aim to equip students with the necessary tools to succeed in core sector placements and leadership roles. By nurturing creativity and critical thinking, I strive to prepare them for the challenges of a rapidly evolving technological landscape, ensuring their future success.

4.Ms. Slvia Blossom AP/ECE

It is a privilege to work alongside Assistant Professor in the Department of Electronics and Communication Engineering at St. Joseph College of Engineering. Over the past three years, I have consistently demonstrated an exceptional commitment to both teaching and the development of the department. With a strong academic foundation and a passion for research, I have been instrumental in delivering high-quality instruction across a range of courses in the ECE domain.

5.Ms. Sumitha Josphine AP/ECE

As an Assistant Professor in the Department of Electronics and Communication Engineering, I am fortunate to be part of a dynamic and collaborative academic community. Working closely with students, I strive to inspire curiosity and encourage them to think critically, whether in the classroom or in labs. The interdisciplinary nature of ECE allows me to collaborate across various fields, pushing the boundaries of what's possible in areas such as signal processing, machine learning and embedded systems. I am truly excited about the future of ECE and the incredible potential of our students to lead the way in technological advancements. As we continue to make strides in education, I am committed to preparing the next generation of engineers to meet the challenges of a rapidly evolving world.

6.Ms. Angaline Jennifer AP/ECE

I always feel grateful and blessed to be a part of St. Joseph College of Engineering. Holding the role of Assistant professor in the department of Electronics and Communication Engineering, I have learnt many lessons. The College and the Department provided the right environment and supportive teaching faculties to upgrade myself in all aspects. The College Imparts me with sufficient opportunities to fulfill my role and passion in all ways. I will continue to help our students to upgrade their skills through innovative projects.

7.Ms. Pavithra AP/ECE

Serving as an Assistant Professor in the Department of Electronics and Communication Engineering, I have had the opportunity to learn and grow in countless ways. The college and the department have provided me with a conducive environment and the support of dedicated faculty members, enabling me to continuously develop both personally and professionally. With numerous opportunities to enhance my skills and pursue my passion for teaching, I have been able to contribute meaningfully to the academic community. I am committed to helping our students advance their skills and knowledge through innovative projects, and I look forward to continuing my journey of fostering their growth and preparing them for future success.

8.Ms. Siva Shankari AP/ECE

My approach emphasizes transforming theoretical knowledge into valuable skills through hands-on experiments and real-world experiences. I encourage my students to excel in practical learning, viewing innovation as a pathway to creativity and productivity. I am committed to fostering an environment in the Department of Electronics and Communication Engineering where students can thrive through innovative, collaborative projects. Our focus is on developing working prototypes and solutions, which not only enhances technical expertise but also prepares students for core sector placements, entrepreneurship, and leadership roles. Through our department's innovative center, we will continue to equip students with the skills and mindset necessary to excel in today's dynamic industry

9.Mr. Muthukumaran HOD/IT

As the Head of the Department of Information Technology, I am very grateful to be part of St. Joseph College of Engineering with a vibrant academic community. The supportive environment has helped our staff to grow along with Department both personally and professionally for the development of student community. I am fortunate to be part of dynamic and collaborative academic community. I strive to inspire curiosity and encourage the students to think in creative way. The college imparts me with sufficient opportunities to fulfil my role and responsibilities in all ways. We emphasize students not only academic but also encourage the development of soft skill, Teamwork and Leadership Quality. I will give my full guidance to help our students to upgrade their skills through innovative Projects. Through the state-of-the art laboratories, Industrial collaboration, research opportunities, our students are equipped to meet the demands of global job market.

10.Ms. Kumara Sundari AP/IT

As a St. Josphine it's a blessed part of my life to be here as an Assistant Professor in the department of Information Technology. I appreciate the opportunities for professional development and growth provided by my college. I'm grateful for the recognition and appreciation I receive for my hard work and contributions. The company culture promotes a healthy work-life balance, allowing me to manage my personal commitments effectively. The commitment to innovation and staying ahead of industry trends is inspiring within my workplace. The positive energy and enthusiasm from my colleagues make me coming to work each day pleasure. I feel proud to be part of a team that makes a positive impact on our community. Thank you so much for the supportive and welcoming atmosphere that makes me feel valued at my workplace.

11.Ms.Jacqueline Asha HOD/AI&DS

A right place for skill improvement, empowerment, technical learning and spiritual upliftment. It has good infrastructure and lab facility. Very good sports facilities and encourages students in various extra-curricular activities.

12. Ms. Vincy Sahana AP/AI&DS

Excellent Environment for a Fresher. The management encourage, support and motivate all for their initiatives and well disciplined.

13. Dr. Tamilanban AP/Mech

Joseph College of Engineering as a Faculty, it has been an Empowering Experience for me. The Learning Environment here is Qualitative and Value-Based. The Institute is committed to imparting the very best knowledge to its students and engaging them with experimental and practical learning. I wish all the Students, Staff, Faculty, and Management a Very Best of Luck for their future and also wish that the Institute achieve Great Heights in Imparting knowledge.

14. Mr. Selvamani AP/ Mech

St. Joseph College of Engineering, has enriched my teaching experience by bringing together a group of experienced faculty members with diverse expertise. It is impossible to believe that our young and dynamic Founder and Chairman Rev.Fr. Dr. J. E.Arulraj has been able to develop a College and stature that is so impressive. SJCE is an outstanding institution, providing unique opportunities to educate, train and support its community and the economy of India. I am impressed by the vision and mission of this Institution. The relationship between the management and faculty members are very cordial. It helps us to excel in the areas of our interest. Loved to be a part of it.

15. Mr. Sundara Vadivel AP/Mech

I am grateful to be part of St. Joseph College of Engineering, serving as an Assistant Professor in the Department of Mechanical Engineering. The opportunities and experience I have got until now in SJCE, have been unprecedented. At every step, I have been fortunate to interact with some very different, motivated and creative set of minds, of my department faculties, Principal, Administrator and Management.

16.Dr.M.Naveentha Krishnan HOD/CSE

A Warm and Affectionate Welcome from the Computer Science and Engineering Department! In today's fast-paced technological landscape, cutting-edge innovations quickly evolve into legacy solutions within just a few years. The key to navigating this ever-changing environment lies in a continuous effort to enhance one's skill set and domain expertise. With this in mind, the Computer Science and Engineering Department is committed to empowering students, helping them evolve into invaluable assets for any organization

17.Mr.Arunmozhi AP/CSE

Working with Mr. Arunmozhi has been an enriching experience. His ability to inspire innovation, push the boundaries of research, and foster collaborative partnerships is exceptional. Under his leadership, the CSE department has become a hub of cutting-edge research and development, producing work that is not only academically rigorous but also impactful in real-world applications. Mr. Arunmozhi commitment to advancing technology is truly commendable

18.Mr.Premkumar AP/CSE

As a faculty member in the Computer Science and Engineering Department, I've witnessed firsthand the transformative of Mr. K. Premkumar. His approach is both visionary and inclusive, motivating us to constantly evolve in our teaching methods and research. He fosters a collaborative and forward-thinking atmosphere, ensuring that both students and faculty remain at the forefront of technological advancements. His guidance is truly invaluable to the growth and success of the department

20. Alumni Meeting/Testimonial

20.1. Alumni Meeting

S.No.	Date	Points Discussed	No of Participants
1	18.01.2024	Office Bearers Meeting for Alumni Association Bank Account Opening	5
2	24.02.2024	Alumni Cricket Tournament	28
3	20.11.2024	Office Bearers Meeting – Alumni Contribution for Institute Development	8

20.2. Alumni Testimonial

1.Mr. Jayvassanth, Fuel Systems Engineer, Cryogenics, Airbus, Filton, Uk

I can positively say that my college and department of Mechanical Engineering has made me a better person. It has helped me to develop a positive attitude towards my studies and discover more about myself. Teachers are very caring and interested in students' well-being. They make sure every class is educational, interactive and fun.

2.Mr. Arul Jerald, Data Engineer, Square Shift Software Technologies, Perungudi, Chennai.

SJCE is sounded by better environment. It is endowed with high qualified professors. It provides more opportunities to acquire knowledge and personality development skills, cultural skills, and sports, etc., I would also like to express my gratitude towards the placement cell for guiding and providing me with a platform to showcase the skills that I possess and to secure a good placement.

3.Mr.Sankesh A B, Software Engineer, Avasoft, Mississauga, Canada.

The management has always been motivating students to be excellent in academics and personality skills development. Faculty members are also very cooperative and encouraging to perform well in my career. College life is enjoyable and comfortable in terms of curricular as well as extra-curricular activities.

4. Ms.Sharon Rubavathy J, Senior Data Analyst, Siemens, Bangalore.

My 4 years at St. Joseph College of Engineering has been a wholesome learning experience. The faculty at the ECE Department have played an instrumental role in my academic journey. They have always been a constant source of support and facilitated me with opportunities to learn and grow.

5.Mr. Sivakumar, Central Kabadi Team & Central Reserve Police, Sonipat, Haryana

I feel SJCE offered me the best opportunity for development of my skills in community interaction and Sports. SJCE makes sure that the student is comfortable and progressing well in the studies and their life.

6.Mr. Anandraj Isreal,Senior Security Engineer, Irish Capital Limited, U.K

The activities at St. Joseph college of Engineering helped me a lot with my communication skills, as well as overcoming my shyness. My Staffs were work closely with their students, which allow them to really understand the strengths and difficulties of each individual. This means you get more support and encouragement in the areas that really matter.

7.Mr. Benildus Antony J Assistant Manager, Canara Bank, Koodan Kulam.

I like the friendly atmosphere in our Mechanical Engineering department and the fact that the teachers are really kind to the students. We are very much supported in our studies. They are also very motivational. We are Inspired by the classes of my professors. My grades have gone up a lot as the classes are practically oriented.

21. Gratitude of Students

21.1 Academic

S.No.	Date	Dept	Activity Name	Honored on
1	09.03.2024	R. Raju	Mechanical	CAD Modelling in Technical Symposium
2	23.03.2024	R. Raju	Mechanical	Paper Presentation in Technical Symposium
3	28.03.2024	M. Ramanan	Mechanical	Design & Drafting in Technical Symposium

22. Network (Website /Face book/YouTube) - strength/ weakness - Subscribers count

22.1 Website

Strength	Content, Framework and photography
Weakness	Storage, Front page and HD Photography

22.2 Facebook

Strength	Highlights Academic and Extracurricular Activities
Weakness	HD Photography
Subscriber Count	4758

22.3 Youtube

Strength	Regular posting, consistent content, audience engagement, growth potential, brand identity.
Weakness	Video quality may suffer, lower production value, inconsistent editing, lack of polish.
Subscriber Count	6080

22.4 Instagram

Strength	Constant updates of all programs conducted in the college. Good number of views and likes from followers.
Weakness	Boosting of posts (advertising by paying money) can be done to reach non-followers, Reels not Posted
Subscriber Count	1371

22.5 Twitter

Strength	Real-time updates, global reach, fosters engagement, quick communication.
Weakness	Limited character count for messages.
Subscriber Count	35

Academic Year 2024-25

No of Active Students: 1285

(As on 06.12.2024)

S.No	Details	Amount
1	Scheduled Amount	125143000
2	Collected From Students	55056514
3	From Government (Collected)	3895000
Total Collection		58951514
4	Total Balance	66191486
5	From Government (FG+PMSS+7.5)	28825000
6	To be collected from Students	37366486

Scholarship

Scholarship	Scheduled Amount	Paid	Unpaid
FG	9100000	149620	8950380
PMSS	16920000	165220	16754780
SCH 7.5%	6700000	3895000	2805000
Total	32720000	4209840	28510160

42.Challenges

1. **Adapting to Technological Advancements:** Keeping up with rapid changes in engineering technology and updating curriculum, faculty training, and infrastructure.
2. **Industry-Academia Collaboration:** Strengthening ties with industries for internships, placements, and real-world exposure.
3. **Increasing Student Expectations:** Managing high expectations for internships, placements, and skill development while catering to large student numbers.
4. **Infrastructure and Resource Constraints:** Expanding facilities like labs and research centers to accommodate growing student numbers.
5. **Faculty Recruitment and Retention:** Attracting and retaining qualified faculty to maintain academic excellence.

43.Future focus

1. NBA Accreditation for atleast Three Departments
2. Autonomous Status
3. 100% Placement
4. Highly Qualified Faculty Members (PhD Holders)
5. Increased Number of Incubation and Start-Up Networks

44.Any other....

Nil

45. Conclusion

In conclusion, the year 2024 has been a year of significant growth, achievement, and progress for St. Joseph College of Engineering. Our commitment to academic excellence, innovative research, and holistic development continues to shape the future of our students and the institution as a whole. With a strong focus on enhancing industry collaborations, fostering entrepreneurship, and promoting multidisciplinary learning, SJCE has further strengthened its position as a leading engineering college.

We take pride in the accomplishments of our students, faculty, and staff who have consistently demonstrated dedication and passion in their respective fields. As we move forward, SJCE will continue to evolve and adapt to the dynamic needs of the education sector, ensuring that our students are well-equipped to face the challenges of a rapidly changing world.

The support from our governing council, alumni, and various stakeholders has been invaluable, and we look forward to even greater achievements in the coming years. Together, we will continue to uphold the values of excellence, innovation, and social responsibility that define St. Joseph College of Engineering.

Thank
you

The image features the words "Thank you" written in a black, elegant cursive script. The letters have a 3D effect, with a bright cyan shadow cast behind them. The text is centered and surrounded by a variety of decorative elements in the same cyan color. These include several different styles of leaves, some with veins, some simple outlines, and some with small berries or buds. There are also several small, four-pointed star-like symbols scattered around the text. The overall composition is balanced and visually appealing, set against a plain white background.
