Infrastructure

The eco-friendly campus has separate academic and hostel buildings to enable the students to feel at home and to develop their creativity. The campus has a total of 173815.25 sq.ft as built-up area accommodating the following:

A Four-storied main college building with well-ventilated and spaciousclass rooms and drawing halls.

- ❖ Well-equipped laboratories.
- ❖ Hostel for boys
- ❖ Hostel for girls
- ❖ Conference halls
- ❖ Auditorium
- ❖ Meditation Room
- ❖ Photocopier, STD and Internet facilities.
- ❖ Courts and grounds for various games and sports.
- ❖ ATM
- ❖ Wi-Fi Campus

FACILITIES

Computer Laboratory

There are adequately spaced and well equipped computer labs with more than 500 computers. All the terminals are networked to provide cross platform application with client server architecture. Besides, the center has the provision of regular course work in C, C++, ORACLE, VB, VISUAL C++, JAVA, UML, RATIONAL ROSE, TALLY, SPSS and Internet facility with 30 Mbps Speed. It is managed and supervised by qualified staff even after the class hours.

Laboratory

To train the students on all aspects related to the performance of engineers, the laboratories are fully equipped with modern equipment according to the latest syllabus prescribed by the Anna University.

Professional Bodies CSI

The seed for the Computer Society of India (CSI) was first sown in our college on 6th March 2010 with a handful of IT enthusiasts who were computer user group and felt the need to organize their activities. The CSI regularly organizes conferences, conventions, lectures and gives various awards and at the same time it also ensures that regular training and skill updating are organized for the IT professionals. CSI also works towards a global approach, by seeking out alliances with organizations overseas that may be willing to come forward and participate in such activities. CSI also helps governments in formulating IT strategy & planning

Indian Society For Technical Education

ISTE creates an environment where members collaborate on world-changing technologies from computing and sustainable energy systems, to aerospace, communications, robotics, healthcare and more

Institute of Electrical and Electronics Engineers (IEEE)

The Strategic plan of IEEE is driven by an envisioned future that realizes the full potential of the role of IEEE in advancing technology for humanity. The IEEE Brand Identity Toolkit explains the basic usage rules for all corporate identity elements and how to utilize them to create powerful and consistent communications

Placement and Training

A cell for placement and training is functioning with the placement officer who arranges carrier guidance / in-plant training / campus interview, by specialists in the particular field and also by companies of reputation

Physical Education

The college gives importance to health activities and reserves a period in the timetable for indoor and outdoor games. Courts and grounds for various games and sports are available. Students are expected to take part in these games / sports to develop his / her potential /abilities and qualities of sportsmanship

National Service Scheme

NSS Unit is actively function in our college The objective of the NSS is outlined as follows:

- ❖ To create social awareness.

- ❖ To be actively and constructively involved in the needs and problems of the community and thus become agents of social change.

- ❖ To aim at an overall development of the personality of students through involvement in projects.

- ❖ To train students towards responsible leadership

Youth Red Cross

To inspire and empower our students through dynamic programs, YRC unit was started for creating opportunities to serve and meeting the needs within their local communities. As a result, the students will realize the mission of the Red Cross by participating in Programs in related to Leadership Development and International Initiatives
